SCORE CARD

Chaka T. (Sept. '02), one of the biggest naturals of 2002, is a finalist for *Voluptuous* Newcomer of the Year.

WHERE'S CHAKA T.?

Dear *SCORE*,

It is difficult to express my level of disappointment that Chaka T. was not included among the candidates for 2002 Newcomer of the Year. Are you kidding me?

No disrespect to those chosen (most were deserving), but leaving out Chaka was at best an oversight and at worst a disgrace! Natural beauty and assets like hers come along rarely (see Devon Daniels, Via Paxton and Linsey).

I hope *Voluptuous* doesn't make the same mistake in its Model of the Year. Who's holding the brain over there, anyway?–K.C., Birmingham, Alabama

Dear K.C.: The 10 candidates for SCORE *Newcomer of the Year were based on several criteria, including reader response to their pictorials. Certainly, there were many outstanding newcomers in 2002, but we had to cut the list down to 10. However, you'll be pleased to know Chaka T. is a candidate for* Voluptuous *Newcomer of the Year.*

BRING ON THE BLACK STUDS!

Dear *SCORE*,

In response to a reader C.J.'s letter in the December Scorecard regarding interracial layouts, I believe this is a personal peeve he and maybe a handful of others have about seeing a black man and a white lady in a shoot. I personally thought the pictorial of Brandy Dean in the July '02 issue was beautiful and am pleased you finally featured a black male model. You've featured many layouts with black models and white men, so why not add diversity.

I would like to see more spreads of well-hung black studs with the likes of Lisa Lipps, Dawn Stone and more beautiful white ladies. There seems to be a heightened sense of eroticism in these layouts. I'm sure there are always going to be people who harbor problems about this, but there needs to be more tolerance in these modern times. Yes, keep the white studs but give the black guys a little air time, too. This is from one of your white readers.–C.J., Swansea, Illinois

LINSEY AND A BLACK DICK

Dear *SCORE*,

On the cover of your December 2002 issue featuring seven years of Linsey Dawn, there's a little photo that shows Linsey sucking a black cock. I have to know if that's just a black dildo or if it's a real black guy's dick. If it's a real dude's cock, I'd like to know if it's from an actual pictorial taken in the studio or if it's in a movie.

There's nothing that turns me on more than watching a black guy with a busty white chick. Don't know why, it just does.–M.B., Washington

Dear M.B.: That photo is of Linsey with a black dildo, and it's from an actual pictorial that can be seen only at Linsey's official website, www.LinseysWorld.com.

THAT BLACK DILDO AGAIN...

Dear *SCORE*,

In regards to the interracial debate, I'd really love to see Chloe, Linsey, Lorna Morgan, Minka, Zuzanna and Autumn-Jade suck and fuck a really big cock. If not a black dick, how about a black dildo. Check out the photo fo Linsey with a black dildo on the cover of the December issue. You should have made that an 8x11.

If you're going to give them a vibrator, make it a black one. Couldn't you picture yourself as a hung black man getting the blowjob of your life from Lorna Morgan or Linsey? Then turn around and give them the ride of their lives? Black on white, please!–D.R., Daytona Beach, Florida

HE WANTS HIS TEDDI BARRETT

Dear *SCORE*,

While you have always published an excellent magazine and produce videos of great quality, I have the impression

Linsey playing with a black dildo can be seen at LinseysWorld.

More Teddi Barrett? Whaddya say, *SCORE* Men?

certain models are favorites of yours and you feature them time and again, while others who are equally worthy are neglected.

A reader wrote to complain that the picture of Crystal Storm in your 10th anniversary issue (June 2002) was not the most flattering. But, much worse, there wasn't a single mention, let alone a picture, of Teddi Barrett.

In your entire history, you have only published one photo set of Teddi (April '01). Yet, she is just as well endowed as Minka, Kayla, etc. What's more, she is exceptionally sweet, intelligent and creative, not to mention a fine actress.

I can't understand why *SCORE* has consistently ignored Teddi.–S.H., email address withheld

NOT SILLY, BUT IT'S STRING

Dear *SCORE*,

Recently, some *SCORE* Girls have made reference to an augmentation technique known as the string. Unfortunately, I missed your article in the April 2000 issue on this procedure. My wife wants larger breasts (she's already packing natural DD to E-cups, but am I going to complain?), and is concerned with the health risks of typical silicone and saline implants. The hardening effect common with those is another major concern. But the girls who have gotten string implants, namely Maxi Mounds, seem to express great joy with the size and pliability of their super-sized sweater puppies.

Now, my wife doesn't want to go that large, although she is fascinated with Julia Miles' impressive semi-natural rack. So I would say an H-cup would probably be the max for her. I have had no success finding any information on string implants on the web, so all I know is what has been published in the bible…er, I mean *SCORE*.

According to what little I've read, a Dr. Johnson out of Houston, Texas is responsible for this, but may not be performing this procedure anymore. I was able to locate one Dr. Gerald W. Johnson in Houston who invented the T.U.B.A. procedure, (where a saline implant is inserted through the belly-button), but his website mentioned nothing of the string method. Is this the same Dr. Johnson? If so, does he still handle this technique? If not, why? Are there any other surgeons who perform string?–C.M., email address withheld

Dear C.M.: Dr. Johnson has ended his string technique and has taken the information off his site. He pioneered his unusual procedure on Kayla Kleevage (the first), Minka, Maxi Mounds, Chelsea Charms and several others in 1999. While many girls have said they're happy with the results of their super-enhancement, several other models, whose names we won't print, have had post-op problems, and had the string removed and replaced again with conventional

Maxi (far left) and Kayla are understandably happy with the string implant method.

VOTE YES FOR RHIANNON

Dear *SCORE*,

In the Holiday '02 issue, you asked whether Rhiannon is *SCORE* material. Yes, I think you should do a photo shoot of Rhiannon. I don't think anyone could do a better job of photographing her.

I am also curious about the process for selecting models to the Big Boob Hall of Fame. Certain models were noticably absent from the ballot, like Mesha Lynn, Kalya Kleevage, Whitney Wonders, etc. Why?–Phillip, email address withheld

Dear Phillip: The 12 candidates for induction into the Class of 2003 of SCORE's *Big Boob Hall of Fame, announced in the Holiday '02 issue, were selected by* SCORE *publisher John Fox, UK photographer John Graham,* SCORE *editor Dave Rosen and Boob Beat columnist Elliot James. Only retired models are eligible, which is why Kayla Kleevage is not among the candidates. As for Mesha Lynn and Whitney Wonders…well, we could only pick 12 for now, so perhaps they'll get their opportunity in a future election.*

WE PAY FINDER'S FEES!

Know a girl who's got what it takes to be in *SCORE*? Or know where to find one? Then do your fellow *SCORE* Men a favor. Send her our way! We're looking for slim-n-stacked women with DD-cup breasts or larger to photograph at our studio in Miami, Florida. Your big-titted discovery gets to become famous in the pages of *SCORE*. You get a generous finder's fee. And every reader looks upon you as their hero.

HERE'S HOW

STANDARD MAIL: Send a minimum of four photographs–fully nude head-to-toe front, side profile and back, and one nude from the waist-up–along with the model's name, age, address and contact information to:
Director of Photography
The *SCORE* Group, 1629 N.W.
84th Avenue, Miami, FL 33126
EMAIL SUBMISSIONS: Four JPEG photos, shot in the same way as above, along with the model's contact information can be emailed to: **model@scoregroup.com.** Photos are for evaluation purposes only. No photos will be published without a valid model release and model's consent.

ANOTHER YES VOTE

Dear *SCORE*,

I give Rhiannon a big thumbs up! I think she is hot. She looks different in all the things I have seen her in, she is versatile and she would spice up your magazine with her appearance. I know your audience would not be disappointed because she pushes the envelope in a positive way.–E.S., Lehigh Valley, Pennsylvania

VOTE NO ON RHIANNON

Dear *SCORE*,

Please oh please do not put that freak Rhiannon in any of your magazines. There is nothing attractive about her. I've seen her many times and she reminds me of a transvestite I'd seen in a magazine who had the same dark hair and implants and lip injections. She is not pretty. If you were to ever start going that way with the magazine, I would have to cancel my subscription, just as if you showed the uglies and overly obese and pregnant women many of your competitors show.–E.S., email address withheld

BRING ON THE MILKERS!

Dear *SCORE*,

In the December '02 issue, you asked readers if they want to see milkers in *SCORE*. For those of you who are undecided, I urge you to pick up the December 2002 issue of *Voluptuous*. In it, you'll discover Lorna Morgan's best photo feature yet. If Lorna's erotic pictorial in that issue doesn't justify having milkers in your magazine, I don't know what would. It's amazing.

Seeing Lorna pour milk over her body was a real cock teaser. The photographer must have had a woody watching that liquid waterfall off her milky-white tits, over her navel and into her moist pussy and meaty ass. While holding up the magazine with one hand, I imagined that the creamy beverage came out of her nipples instead of a cow. I'd love to lap up every drop off her with my tongue. –J.H., Cleveland, Ohio

"IF I WAS THE *SCORE* EDITOR"

Dear *SCORE*,

If I was the *SCORE* editor, this is what I'd do: If models didn't want to do any XXX videos, then I would tell them to get the fuck out. It's just like if a football player told his coach, "I will only run on the left side of the field." Can you imagine that?

Many of these busty models came out of nowhere. Before they came to *SCORE*, they were nothing. Now that they are famous and they have money, they think they can choose to not shoot XXX. The fact is, they are in their right to make this decision, but *SCORE* is also in its right to tell them, "If you don't want to do XXX, find yourself another magazine." See what they do. I guarantee they'll change their minds in an hour.

Lorna Morgan got milk—cow milk—in the Dec. '02 issue of *Voluptuous*. Do milkers—and girls with milk—belong in *SCORE*?

CRYSTAL & CINDY TOGETHER

Dear *SCORE*,

The idea of Crystal Gunns and Cindy Cupps in a big-bust matchup gets my vote, along with Crystal for Newcomer of the Year. Lana Lotts is second in my book.

Interracial layouts make *SCORE* that much more diverse than other magazines. Keep the interracial pictures in SCORE, eliminate some of the XL-sized African-American women like Sammie and put some of the larger models in a magazine that caters to plump and large women.

If I am not mistaken, the photo set of Bre in the December issue is the same as the one used in her earlier apperance. What gives?

Tabatha Towers brought back some fond memories and lots of jizz.

SCORE BIKINI LINE-UP

WE LINED 'EM UP AGAIN AT THE MEGA-BOOB OLYMPICS!

It's one thing for a mega-boobed babe to find bras that fit. Specialized custom-bra makers can be found in the yellow pages. But what's a slim-n-super-stacked woman to do when she feels like going for a swim? When we asked Maxi Mounds, Kayla Kleevage, Minka, SaRenna Lee, Casey James and Plenty UpTopp to bring along their bikinis for the *Mega-Boob Olympics* DVD and video shoot (turn to page 16 to order), we wondered where they were going to get bikinis that fit. But they had 'em, and we wasted no time getting the girls in line for our second Mega-Boob Lineup (the first appeared in the March '02 issue).

MAXI MOUNDS | KAYLA KLEEVAGE | MINKA | SARENNA LEE | CASEY JAMES | PLENTY UPTOPP

TAKE 'EM OFF, GIRLS! BUT STAY IN LINE!

Sometimes boobs are so big, covering them is impossible. You don't see much less when the bikini is on than when it's off. There's too much tit-flesh to cover. Flip back and forth between the nude photos on this page and the bikini shots on the opening spread. The only real difference is that in these photos, the nipples are naked. Those bikinis can only cover about 10% of a mega-babe's breasts. Another observation: Those gigantic boobs are putting incredible strain on the bikini strings. There's lots of daylight between string and upper chest when the girls bend over. Hey, aren't lineups revealing?

MEGA-BOOB OLYMPICS NOW ON DVD AND VIDEO!

The wildest big-bust movie ever! Starring Maxi Mounds, Plenty UpTopp, Casey James, SaRenna, Kayla Kleevage and Minka in boob-to-boob competition. Three-way strap-on fucking! Solo pussy probing ! Erotic oiling and tit-play! Tit grabbing and pussy sucking! Bouncing and floating boobs! All on high-resolution DVD!

SCORECARD

Continued from page 9

Two highlights of the Dec. '02 issue: a retro on Tabatha Towers (left) and Bre.

Dear M.V.: The photo set of Bre used in the December issue was brand-new and never-before-published. In her previous appearance in the February '02 issue, Bre posed outdoors on a park bench in a totally different outfit.

WHATEVER GETS YOU THROUGH THE NIGHT

Dear *SCORE*,

I am writing this on a sheet of paper from work. I am a shift manager at a housing agency and I work until eight in the morning. The only thing that gets me through some of the lonely nights is *SCORE*. I don't have a subscription yet, but I plan to get one soon.

Why don't you guys pay more attention to some of the other superstars? I mostly see Linsey Dawn, Maxi Mounds, Alyssa Alps and Casey James and so on. What about Linda Friday, Colt 45, Lisa Lipps, Exotica and Adina?

Don't get me wrong. Linsey makes my mouth water just by looking at her, but I am a big Colt 45 fan and there just aren't a lot of photos of her out there.

Continued on page 76

Another appearance by Ashley Evans (left) is coming soon. Friday (right) teaches us about anal sex on page 32.

BIG BOOBS IN THE NEWS

BY ELLIOT JAMES

EXPO-A-GO-GO

SCORING IS NEVER BORING IN BIG TITTY CITY

Once again chained to my chair back at *SCORE* HQ in Miami and unable to wheel myself 3,000 miles away to Las Vegas, Nevada, your friendly neighborhood columnist has dispatched his British cousin "T" to the 10th annual Gentlemen's Club Owners Expo and Sixth Fan Fair. T didn't mind. He likes to drink, gamble and carouse with impossibly-breasted women. A man needs to have solid goals in life.

Held for the second year in a row at the Mandalay Bay Resort, the GCOE drew a flock of the faithful despite the overall downturn in travel and conven-

SCORE **Man T with Chelsea Charms (L) and Crystal Gunns. Far left, Chelsea and Crystal with Harmony. Bottom left, Corina Curves.**

From top right, clockwise: Brittany Love plays grab 'em at the bikini contest; Exotica looks pretty in her summer dress; Kayla Kupcakes and Crystal Storm; Maxi, Minka, Colt 45 and Kayla Kleevage cut up; Fae and Susie Wilden feel up Lovette, winner of the Big-Bust Entertainer Award; Maxi and Minka give Boob Cruiser Bev a boner; and Alyssa Alps warmly greets T at Fan Fair.

tion business. So let's turn the mike over to T and get started. All of the Expo photos in this month's column were shot by him over a five-day bender. Thank you, T.

THE EXPO

So I'm back in Vegas, my second home. The only city where you can order a gin at 10 a.m. and not feel guilty. Where you can eat seafood until you pass out and still only spend 11 bucks. Where you can get a lapdance, lose your kids' college fund at the roulette wheel and see a pirate ship sink, all before lunch.

I have brought both Susie Wilden and 1997 Boob Cruiser Fae with me. They will be shooting layouts here with *SCORE* stalwart Peter Wall and checking out the show. It's their first time in the City of Sin, and the look on their faces when we first pulled on to the strip in the back of our big, black sedan was priceless. Yes, I managed to look at their faces and not just their chests, which goes to show the lasting effect of being thumped by my girlfriend.

The circus comes to town again. The Exotic Dancer Expo and Fan Fair is back at the Mandalay Bay and the gorgeous girls are here in abundance. Outside, the temperature is over 100 degrees, and inside the convention center, things are heating up with a lineup to whet any *SCORE* Man's appetite: Brittany Love, Chelsea Charms, Colt 45, Crystal Gunns, Exotica, Harmony, Kayla Kupcakes, Kayla Kleevage, Lovette, Maxi Mounds, Mia Miluv, Minka, Nicole Tyler, Nikki Diamond, Vixen LaMoore and Windy Leigh. Even Crystal Storm puts in an appearance.

The first three days here are industry oriented. The girls show off to the club owners and I get to take pictures. There are dance showcases, industry seminars and the Exotic Dancer awards. This year, the Big-Bust Entertainer Award goes to long-time *SCORE* favorite Lovette. Boob Cruiser Brittany Love is nominated for Entertainer of the Year and puts on a great show, but

the award eventually goes to cute-as-a-button Mercedez. As for the rest of the Expo, there's not much I can say that isn't better illustrated by these pictures.

FAN FAIR, DAY ONE

The Fan Fair begins with the Bikini Contest, which takes place outside at the Mandalay Bay pool. As always, it's held during the day, and it's so hot you could roast a chicken in your pocket.

The contest features 60 gorgeous girls, including *SCORE* babes Windy Leigh, Brittany Love and Exotica. Meantime, backstage we have *SCORE* favorites Alyssa Alps, Leslie Wells and Nicole Tyler. And, in the audience, there's Chelsea Charms, Colt 45, Europe DiChan, Kimberly Kupps and Lacey Legends.

During the interval, while the judges deliberate, we get a big-boob show from Crystal Gunns, Harmony, Mia MiLuv and Sarah Jay (May 2001 *SCORE*). And quite a show it is, too, with Crystal really grabbing the crowds' attention with her sensual gyrations. The Bikini Contest is won by Exotica for the third year on the bounce. What a body!

FAN FAIR, DAY TWO

The indoor portion of Fan Fair has moved this year to Club Paradise, a local strip joint. Although the venue is much smaller, it will allow the girls to go topless. Now we get to see some of the biggest boobs in the business in all their unfettered glory.

Amongst the guys here, we have two from the Boob Cruise, Bev and Rick, who have made the pilgrimage to see their favorite ladies and get the kind of souvenir photos that will make their buddies back home green with envy.

I get a photo taken with the lovely Maxi Mounds, which will keep me warm all through next winter. The show wraps up at five p.m. and it's time to head back to reality.

So that's it for another year. I am now filled with that melancholy feeling that the glamour has drained from my life. Still, there's always next year. Right?

From top right, clockwise: bump-a-rump time with Lovette and Vixen; Minka hoists Chelsea Charms; Mercedez in red; Mia Miluv in very little; Kayla Kleevage (center photo); Nikki Diamond puckers up, and Devon Michaels gets chummy with Nicole Tyler.

SEVEN BIG-TITTED NATURALS, THEIR PUSSIES AND YOU!

Helping Hands

Join C.J., Autumn-Jade, Jezhabelle, Annie Swanson, Denise Davies, Busty Becky and Jade in the hottest, most unusual big-tit masturbation video ever! A galaxy of beautifully built supernaturals, several for the first time on video, without a hairy man-ass to contaminate your boob-gazing of these beauties. This volume is subtitled "Helping Hands" because you get to palm and squeeze some of the girls' knockers through the miracle of Feel-O-Vision.

TANYA'S TRICKS

Wrote C.K. of Kingston, Ontario: "When it comes to hardcore, the highlight of your March '02 issue's Xtra was Tanya Hansen's double cock cramming. Visually, there's nothing better than a big dick going into a tight ass, and Tanya's asshole looks like it was the perfect fit. She's one of the most beautiful *SCORE* Girls ever and proof that Norwegian women are among the sexiest in the world. Please, more Tanya, either by herself or with (dare I ask?) three guys: one in her mouth, one in her pussy and one in her ass?" Well, C.K., Tanya's agreeable to another round with two cocks in her ass and pussy. They grow them hot in Norway!

WHO'S SCORING ON SCORELAND.COM?

Some great busties, that's who's scoring on Scoreland.com. In the big picture, we have Newcomer of the Year contender Crystal Gunns. Between her legs and to the left, the dick-stiffening Annie Swanson. Modeling the latest in *SCORE* apparel, cock-hardener Vixen LaMoore shows fuckin' hot cleavage. Above, penis enlarger Kelly Madison demonstrates how she sucks a stiff-stander. Look at that deep throat action she's giving that lucky dildo. What a beautiful sight. All this and more, plus lotsa video, is yours at Scoreland.com, #1 in Big Boobs on the Net, just as *SCORE* Magazine is #1 in Big Boobs on the newsstands. Log on and have a boob blast.

There's something about Mary!

Could it be her eyes? Her smile? Or something else?

Yeah, there's something about Mary Carey. She's tall, slim, stacked and beautiful. There's also something new about her: She's a *SCORE* Girl, our first newcomer of this issue. And there's something else we have to tell you.

Mary is a theater major at a college in Fort Lauderdale, but her plans for the near future have nothing to do with the Bard or Broadway. She wants to become a porn star, which leads us to the something else we need to tell you about her. She might look familiar to some of you because she appeared on the radio and TV versions of *The Howard Stern Show.* She has also appeared on HBO's *Real Sex.* In other words, Mary is hungry for full exposure.

Blonde. Hot body. Big tits. Mary has the three primary requirements to become a mainstream porn star, except she has no piercings and no tattoos. Fine with us. In this age of woman decorating their bodies in every way possible, it's refreshing to find a women who knows that breasts, butt and open pussy are the only decorations a girl needs.

"I was a ballet dancer when I was younger, but then my tits got too big."

Too big? Too big for what? The thing we most dislike about female ballet dancers is they're flatchested. "I guess I was built for lapdancing, not ballet dancing," Mary said. "But when I'm feature dancing, I like to put on a show. Wax, snakes. Yeah, I use snakes in my act. And I like to put my hair in pigtails. The young girl stuff gets guys going." Mary, *you* get guys going.

HOW TO HAVE SEX WITH A *SCORE* GIRL!

In the fourth installment of our instructional series, porn star and *SCORE* Girl Friday tells you how to properly fuck her ass. Believe us, she knows!

When last seen in the June '02 SCORE Xtra, DD-cup sexpot Friday took a cock in her pussy while a purple dildo intruded her asshole. No surprise, there. For Friday, one of the stars of the videos SCORE Xtra #6 *and* Busty Auditions #3, *sex isn't sex unless it's topped off with an anal reaming. In other words, if you ever get the opportunity to fuck this 4'11" sexpot, be prepared when she screams, "Fuck my ass!"*

But don't you wish your wife or girlfriend would say those words? Don't you wish she'd say, "Honey, I want you to stick your hard cock in my asshole right now."

Of course you do. We do, too. So when Friday visited us recently for a bunch of photo shoots for Scoreland.com, *we grabbed the opportunity to ask her to give us us a primer in anal love.*

Follow her advice and your woman will be begging you to fuck her ass.

•

"Men, I have some bad news for you," Friday said. "You can't talk your woman into having anal sex. It's not going to happen. You have to make her want it. You have to ease her in, just like you're gonna have to ease your cock into her asshole. So let's just say I'm your girlfriend and I've never tried anal sex before.

"Maybe I won't be in the mood for sex right away, but you'll want it, and you'll start kissing me and I'll give in because I know it makes you happy, and if it makes you happy, it makes me happy to make you happy.

"But every now and then, it gets so good, and you're really working me. I mean, your cock is in my pussy, and then you'll slip a finger down there on top of my clit, and it's wet. The juices are flowing and you're playing with my clit. And you're really smart, because you like to use lube at the start, so everything's wet right off the bat.

"So, the lube's there, the pussy's going. It's juicy and I can feel the lube starting to drip down from my pussy into that area between my pussy and my butthole, and I can actually feel it tickling. But it takes a while of good sex to get to this point. You'll have been pumping away at my pussy, pumping away at me, and I'll be thinking, *Okay, already, cum*, but then suddenly it's like, 'Oh my God, I'm horny now. Oh my God, I want to have an orgasm now.' And that's about the time the juices are really flowing and they're tickling my butthole, just seeping down.

"And I know you want to fuck my sweet ass, because you've asked me so many times. 'Can we have anal sex? Can we have anal sex?' And I keep saying, 'No, it's gross. What's wrong with my pussy? I don't want your cock in my ass.'

"But then the lube hits that spot, and you'll stop and go down there. I'm not sure what you're doing, but you put your finger on my ass and just kind of rub it. Just kind of tickle the outside. You don't stick your finger in. Not yet. But you know what you're doing, and it feels so good because it's like a massage, and that makes me kind of curious. *There's a new sensation down there I haven't felt before.*

"And then you'll lick it. You'll lick your finger after you've been playing with my asshole, and you'll eat it, and the look on your face makes me think, *Oh, my God, he's so hot for me.* And then I'll let you explore a little more, and if you're really into it, you'll jump down there and stick your tongue in my ass and kind of lap it up crazy like. I'm lying on my back, and then you'll just start sucking my ass and loving it and telling me how beautiful I am and how pink I am and how you love it, and the next thing you know, you'll slip a finger inside. Just the tip. Just a smidgen. And there's another new sensation going on, and I'm really curious now. I mean, this feels good and you're into me and you're showing me how much you love me right now. I mean, you just ate my ass. You kissed my ass. You must really love me, and your finger feels so fucking good.

"So I'm thinking, *It doesn't hurt. The finger doesn't hurt me.* And it's just the tip, so you'll move it in a little deeper. It's all lubed up, there's plenty of lube in the first place, your finger will slip right in there, smoothly, and that felt good, but it's not wet enough. I need more lube. So you'll stop. You'll take your time removing your finger from my ass. Very, very slowly. And then you'll get the lube, and then you'll smile at me and tell me how much you love me. Turn me over onto my stomach. Give me a little kiss on my butt. Put some lube on your cock and stroke your cock, and I get to watch you do that, which turns me on. And then you'll put some lube on your fingers and shove it in a little bit more. I'm scared now, you know. I just want you to get off. I wanted to go to sleep, but now I'm starting to get into it. Your fucking turned me on so much!

"So I notice now that it feels good, and I know you're with me. It's not a gay thing. It's just good sex, which is a good thing. And then you'll shove your thumb up my ass and just play around. And then you'll go down and eat it some more, tell me how good I taste and how good I smell.

"And you're right. It *does* smell good. It's different. It's *me*. It's *my* smell, and it smells like sex and love. Thank God your nails are short, though, because if you have a little bit of a hangnail, I don't think I'd continue. And your thumb could hurt me, so beware of your thumb, because thumbs are crooked, and if you insert it in the wrong angle, it can scare me, and then

I won't want to do it anymore.

"So you can keep using your fingers and tongue, and you're stroking your cock and you put your other hand on my pussy and play with my clit while you're stroking your hard cock.

"And then you put the tip of your dick right on my bunghole. Just touch it there, and the sensation, the energy, the excitement is good, just knowing that your cock is touching me right *there.* So I'll relax a bit, and I'll put my head on the pillow and look over my shoulder at your face, and you'll give me a knowing smile, and you'll insert it a little more. And your cock slips in pretty good, but it stings. So I tell you to stop. And you stop and hold it right there, but you don't remove it, just hold it right near the entrance. And I breathe, kind of like I'm giving birth. *Feel the pain, go with the pain.* It's good for me. Breathe, breathe. *Oh my gosh, oh my gosh, your cock is so big!*

And then the pain will pass and you'll slowly start to remove it, but not all the way. Just slowly back out. SLOWLY! But don't remove it. Let the urge get you to put it back in, and it'll slip in further this time. And it'll sting me again, and I'll breathe, breathe, breathe until it's okay, and you're saying, 'Honey, I love you. It's okay. I won't hurt you.' And I'll say, 'Stop, stop, stop!' so you stop, but don't move. DON'T TAKE IT OUT AND DON'T STICK IT IN FURTHER. Let the pain pass. Let me relax. Let my breathing slow down. And then slowly remove it, but don't take it out. Let the urge get you again, then shove it back in there. And it'll slip in further, and this time I'll be used to it. It won't sting as much. I'm used to the stinging sensation now.

"So then you remove your cock again slowly, but don't take it all the way out. Just start to slowly back it out. The trick is never take your cock out quickly 'cause that's what hurts. You can shove it in there, but never take it out quickly. Continue this motion, and if I tell you it starts to sting, stop. Don't go any deeper. Don't remove it any further. Just stop. Tell me how much you love me. Tell me it's okay. Tell me it feels so good and I smell so good and how pretty I look right now, and this is the best sex you've ever had and you've always wanted to do this with me. Just me.

"And then, the next thing you know, magic happens. You can start fucking me faster and faster in my ass, and you start riding my ass, riding my ass, and I'm used to it now, but I'm still scared. KEEP RIDING MY ASS. And then I'm going to start feeling a sensation like my ass is going to explode, I've never felt so full before. "Please stop," I'll scream. "I don't want it!

"DON'T FUCKING STOP! You keep going. You hold onto me, fuck the shit out of my ass and I will cum all over the place! Don't stop. Keep riding me, keep fucking me, because it doesn't hurt me any more, and everything's going to be okay. And when I know what it's like to have an orgasm from my ass, from your big cock, my God if I won't try it again.

"Then, when you're done, when you've shot your load deep inside my ass and I've orgasmed so loud the neighbors down the block can hear me, remove it so fucking slow. Just let it slip out of my ass. Let me feel it. Don't pop it out. That's what hurts.

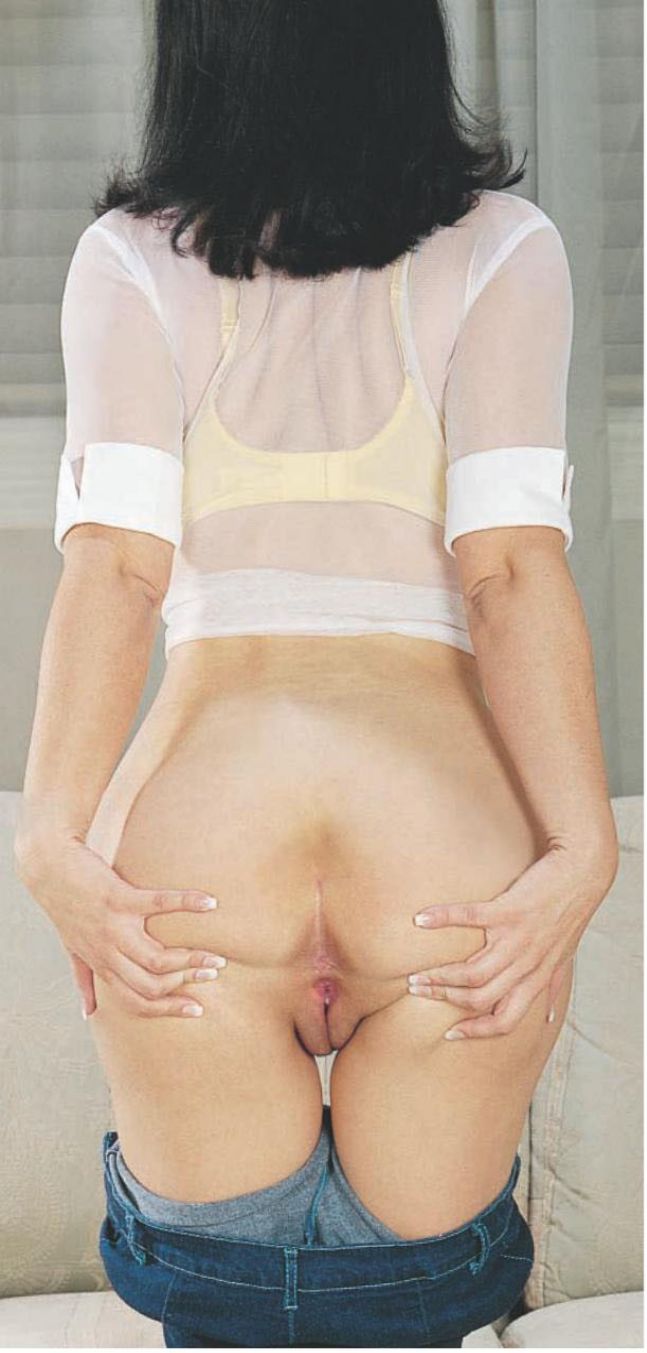
"And if you're good, maybe I'll suck my ass juices off your dick."

SCORE DEBUT

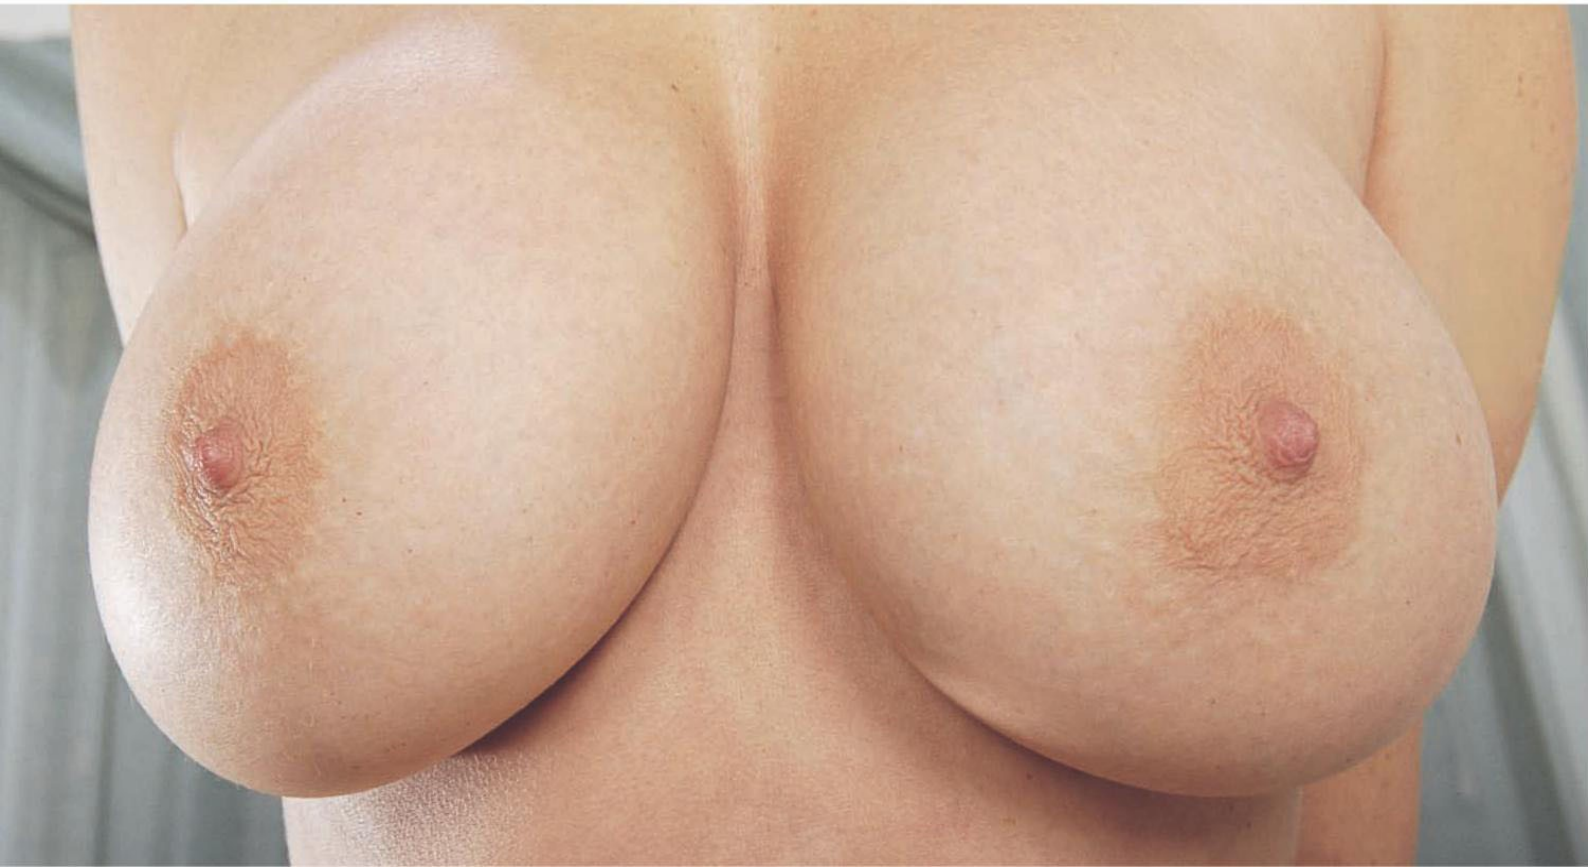
Julian Spencer

She's like you. She loves girls. She loves porn.

Over the months, some *SCORE* readers have written in asking for more photos of the models with their clothes on. We have no idea why any man would ask for that when we go through so much trouble to get these babes naked, but here goes: The outfit Julian has on is what she was wearing when she showed up at *SCORE*.



Okay, enough of Julian with her clothes on. We're in the gettin' nekkid business, and skin is what we want to see. Spread butthole? *Check.* Spread pussy? *Check.* DD-cup rack? *Check, check.* In a few pages, you'll get to see Julian stuff a dildo inside her pussy (sorry, UK readers, but you'll have to subscribe to see the hard stuff), and when that happens, you'll forget that this pretty, exotic, feature dancer from the Midwest was ever wearing clothes. "I like to wear form-fitting clothing that shows off my body," Julian said. "Skin-tight. I also love high-heeled sandals. They're so girly?" Girly? Did she say girly? Big tits and pink pussy. *That's* girly.



"I'm a voyeur. I love to watch porn. I have a stellar video collection."

Julian told us she also has lots of lube and a dildo made out of Cyberskin, which, she says, is "the best because it's so realistic." Now, we'd love to tell you that when Julian watches porn, she slips in a *SCORE Xtra* video and diddles herself while big-titted women get fucked by hard studs. But we can't tell you that because it would be a lie. Girl-girl is more her speed. *Bosom Buddies*. She's had more than a few in her life. "I love to have sex with women," Julian said. "It brings out the aggressive side of my personality. I have this amazing strap-on that was custom-made in San Francisco, and I'm very aggressive with the ladies. But if I can't have sex with a woman, the next best thing is watching two girls on video. But don't get me wrong. I love men. I can't live without 'em." Glad to hear it, Julian. Now we won't have to grow pussies.

JULIAN SPENCER CHECK LIST

AGE: 29 **BIRTHDAY:** February 12, 1973 **HEIGHT:** 5'8"
WEIGHT: 130 lbs. **MEASUREMENTS:** 40-27-37
BRA SIZE: 36DD **BORN:** Independence, Missouri
LIVES: Midwest **FUNNIEST PICKUP LINE:** "Guys don't try that stuff on me. Hello and a smile works just fine."

"I need a man who takes his time and pleasures me. I hate a selfish man in bed."

Taking your time with Julian would be no trouble at all. Start out by kissing her long, sexy neck. Slowly, now. Don't get too anxious. Then work your way down to those firm breasts. Lick her pale areolae and nibble on her pencil-eraser nipples. Spend a good long time on the puppies, then head off to her slim, tapered waist. Don't tickle it. Kiss it. Lick it. Then, finally, casually move down to her pussy, which by this time should be soaking wet. "I'm aggressive in bed, but I don't like when men are aggressive with me," Julian said. "Take charge, sure, but don't rush and don't toss me around. I like men who are polite and respectful, in and out of bed." By the way, the dildo Julian is using on the opposite page isn't made of Cyberskin. It's from our friends at Doc Johnson. And it goes quite nicely with her skin, don't you think?

ONE WORD...

INESSE

Gorgeous face. Beautiful body. Amazing breasts. It can only be one woman.

She snuck in under the wire in 2001, making her debut in the year's last issue, and found herself in the thick of the Newcomer of the Year voting. *SCORE* Men were captivated by her beautiful face and full E-cup hangers, and when the ballots were counted, Inesse finished a respectable third. The Latvian princess had made an impact on the big-boob world.

Inesse would make an impact on men even if she didn't have huge breasts, and she says one of her favorite things is seeing how guys react when they finally remove their gaze from her piercing blue-green eyes, work their way down the rest of her fashion model's face and realize she has a pair of the biggest tits they've ever seen. "I always wear a bra, so it is not like I am trying to show off, but the size of my body is very hard to hide," Inesse said. "Still, I have had many men say to me, 'I did not realize your breasts were so large.' That flatters me."

"Once a man gets my clothes off, he can not help but pay attention to my breasts."

We understand that, but as the photo to the bottom left proves, Inesse has an inviting ass, too. Really, there isn't a part of Inesse that isn't spectacular, and we're waiting patiently for the day when she consents to get naked in front of a video camera. But, so far, Inesse is playing the part of the shy vixen. She has spread her pussy a little, but hasn't stuck anything, dildos or fingers, inside. "I am not ready to do that," Inesse said. "Maybe I will never be ready. The photographer asked me to stick a finger in my pussy, but I told him that is something I do only in my private life. As for video, I do not think so. Not yet. The readers will have to be content with seeing me in still pictures only. At least for now." Content? We'll live with it, but only because Inesse is so spectacular, we wouldn't think of sending her away. She has so much we enjoy looking at.

THE

JACK REPORT

A MONTHLY REVIEW OF AUTO-EROTICISM.

SECRET RECIPES FOR HAPPY JACKING

Some like it rough. Most like it smooth. Here's an easy lube guide to a slick dick for serious strokers.

By Maurice Davis

Frequent floggers recognize that having the lotion that facilitates the motion is the key to enjoying not only the act of ejaculation but also the special satisfaction of a load well blown. Consider the wear and tear your penile surfaces are subjected to in the course of a jack-intensive lifetime. Without proper lube, your natural rhythm may not only be compromised, you could be a victim of dick burn or, in a doomsday scenario, wear your Johnson down to a stub. "Maximize stroke, minimize friction" is a sound principle, but what is the proper proportion of grit to grease? Is off-the-shelf the answer, or should you create your own cock creams at home? Not an easy decision.

Mindful of your dilemma, we tested a range of substances and secret recipes designed to make pud-pulling pleasurable. WET Lube is great, but what about the homegrown stuff? All of these unlikely lubes are based on recipes we found at Jackin World (www.jackinworld.com) and our own hands-on experience.

BALANCE LUBE

In this handyman's opinion, K-Y is too slippery, and leaves gritty residue similar to eraser crumbs. Besides, using K-Y feels gay. Vaseline is the old standby, but its gloppy thickness is not for everybody. Try this mix:

Two teaspoons Vaseline or store-brand petroleum jelly (fragrance-free)
A dash or two of Aloe Vera gel
A few drops of water (tap water is okay, distilled water or Evian is best)
One dab of Vaseline Intensive Care lotion
Two dabs of bath gel or gel-style shaving cream (i.e. Edge)
Two squirts of baby oil
Mix well in a cup. Apply sparingly.

As you would expect, this blend is nicely balanced, even luxurious. The Aloe Vera works as an extender, so the mix is effective and long-lasting without being too greasy. It's what James Bond would use to jack with. Don't mix up too much, although it does survive refrigeration. **RATING: 10**

ALBOLENE

Albolene, easily available at most major drug store chains, comes in a jar with a blue and green label which says, "liquefying cleanser." As with the cleanser used by surgeons, there's no soap in Albolene. It's usually used for removing makeup, so your lady might have a stash on hand. Once you start masturbating with it, though, she might get pissed.

Be judicious, men. A small amount is good for an hour's heavy stroking. Albolene doesn't dry out, wipes off easily and leaves no stains. But forget about using it when you're wearing a condom. It's water based. We have been told Albolene may not be available in California. Something about emissions. Our Albolene-enhanced action was trouble-free, though the sensation we experienced was somewhat clinical. **RATING: 9**

ULTIMATE MASTURBATION FLUID

1 teaspoon baby oil
2 tablespoon Vaseline Intensive Care lotion
2 tablespoon face cream or cold cream (such as Pond's or Noxzema)
3 tablespoons aloe vera (not the gel, the liquid)
1 tablespoon Campho-Phenique ointment (optional, for radical rod rockers only)

Every man has his concept of the ultimate. This recipe is for those who like extreme sensations.

This one has to be used in the shower, especially if you dial in the Campho-Phenique. The camphor generates heat that sets your loins on fire (not that you'll complain as you come in buckets). Smear liberally on your prick, balls and anywhere you want to feel crazy, as well as your hands. Get a comfortable grip and whack on. Messy and addictive. **RATING: 9**

SLICK ACTION LUBE

3 tablespoons mayonnaise (not low-cal)

Continued on page 52

BRA
SHOT
OF THE MONTH
NICOLE PETERS

THE JACK REPORT

Continued from page 50

1 teaspoon clove-oil extract
1 cup olive oil
1/2 large tube K-Y jelly
Mix well in a stoneware or porcelain-bowl (plastic does not give you the same consistency)

You can never be be too slick. This combo is delicious and nutritious, and you'll come like a mandrill. Get a handful, place your penis into it and stroke. Cools and soothes. The clove oil invigorates your erection. This writer's concubine interrupted the stroking to give me deep throat, commenting how it made my dick taste like a *crudite*. **RATING: 8**

FAKE SEMEN LUBE

One part hand lotion
One part K-Y jelly

Visually stimulating, average results. You can vary the ratio of hand lotion to K-Y, according to your–ahem–tastes. Generally, this blend has the appearance, consistency and characteristics of cum. If you like jacking with your own jiz, it's an acceptable substitute. **RATING: 7**

CORN STARCH

Believe it or not, cornstarch-based baby powder is an outstanding masturbation aid. Note that we say cornstarch based, not regular baby powder. Why does it work? Think of the powder gymnasts sprinkle on their hands before they jump on the horizontal bar. Just enough grip, and smooth enough to for hi-test jacking. Dust your dick and you're on your way. Smells nice and keeps your crotch fresh. Put some in your jockeys and feel crisp all day long. Great if you're on a jack budget (it costs a lot less than K-Y). It also arouses less suspicion if it's found bedside by spouse, galpal or Mom. **RATING: 10**

CETAPHIL

Cetaphil is a full-body cleanser you'll find at most drugstores. Unlike soap, it's non-abrasive and non alkaline-based. It's smooth, slippery, cool and easy on your foreskin. Rub-a-dub, you're in the jack club. Fully functional, but not passion inducing. **RATING: 8.5**

BABY OIL GEL

Here's a new twist: Baby Oil Gel. With a lighter consistency than Vaseline, it's smoother and easier to clean up. Slicker and thicker than baby oil. Great for shower jacking. Leaves your penis smooth and soft. A bargain buy. You can also mix this with conventional baby oil, although we couldn't figure out why you'd want to bother. **RATING: 8.5**

VITAMIN-E OIL

Ah, the pleasures of thick, golden Vitamin-E oil. Once our pecker got to know it, it begged for more. Wild masturbators who yank themselves raw swear by its healing effects. And your schwanz will never grow old with a daily dose of E. Your penis always feels great to the touch. You can slice open the capsules, but it's a job. Better to try the one-ounce bottles. Check your drugstore or supermarket's vitamin section. Warning: Vitamin-E oil stains, and more than one enthusiast has ruined the upholstery on the couch jacking off while watching his favorite cum epic. In this case, the live-in bride-to-be broke off the engagement. Don't say we didn't warn you. **RATING: 9.5**

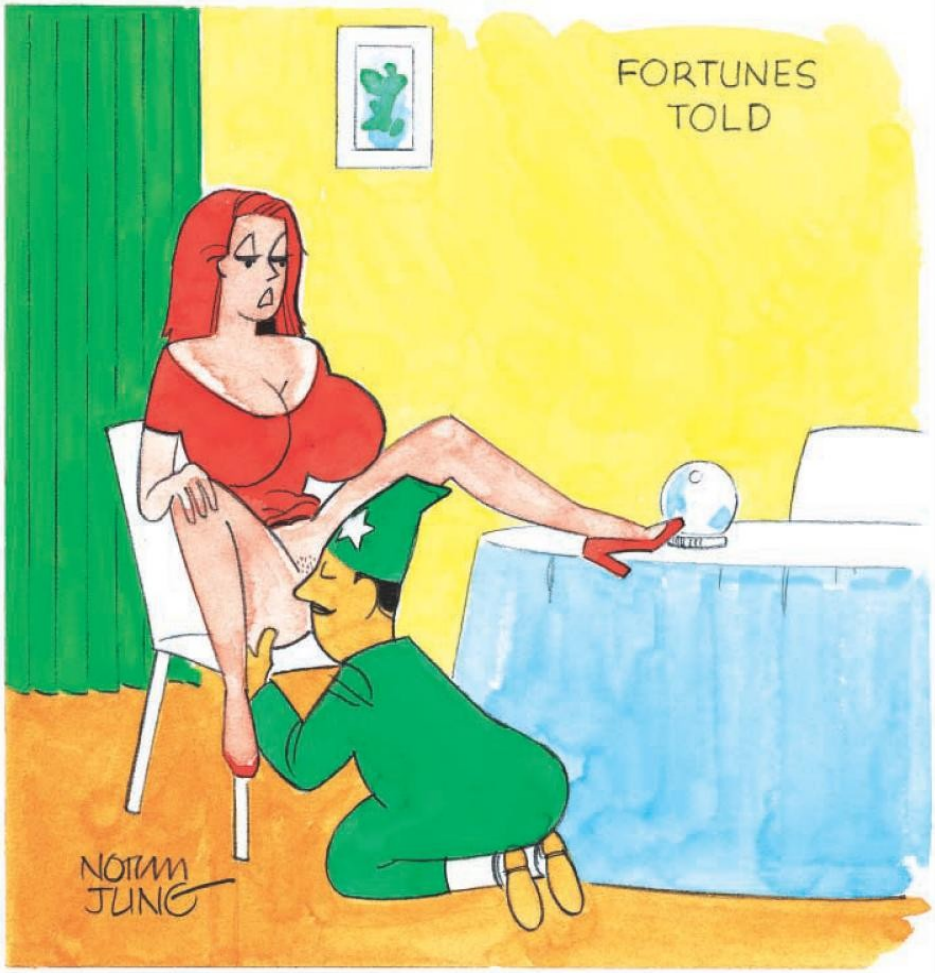
LINSEED OIL

Another oil-based pudbuster. Used to preserve leather for horseback riding equipment and baseball gloves. Linseed oil, deep tan in color, makes your penis shaft and glans shine. As it never dries out, it'll last longer than you do. From Jackin Expert's review: "Virtually frictionless, but what friction is there translates into a sensual dragging motion of just the right intensity." Pretty much says it. We liked the fact that our semen just slid right off our penis skin. It also has that nostalgic aroma that reminds you of lockerrooms and sports halls from your school days. Soap will clean you up, but be careful about where you splash while you jack. It stains big time, too. Put plastic sheeting down first. **RATING: 8**

JASMINE OIL

Erotic, exotic, the scent of blended jasmine essential oil can provoke some truly memorable sexual experiences for partners. An excellent lubricant. Apply liberally to the penis or vagina. You'll explode together. Buy it blended, which is less expensive than pure jasmine essence. You can also mix this with ylang ylang, a highly potent Chinese oil. Use sparingly. More than one drop can burn your tender tip. For master jackers only. **RATING: 10**

Our personal choice? Balance lube because we like mixing our own; Vitamin-E oil if off-the-shelf is called for. WET still does the job better than anything, but it'll cost you more.



"Are you sure my pussy is the window to my soul?"

African Queen

Finally, beautiful Barbara has come back to *SCORE*. We kept a nice, warm spot for her.

Sometimes, too much time passes between visits from a favorite *SCORE* Girl. That's certainly the case with Barbara, who was a student from Zambia attending college in London when we first undressed her for the April '00 issue. Now she's a university graduate who used her *SCORE* Group Scholarship Fund money to help pay her way through college. She got her degree in engineering and is now out looking for a job. But, as we all know, the working world is a tough place, and even DD-cup breasts won't always get you what you want. That's what happened with Barbara, so she came back to *SCORE*.

"Being in *SCORE* was so exciting and my parents never found out, so I figured it was worth another try," Barbara said. "My long-term goal is to go back to Zambia and help the people of my country, but jobs are even scarcer there, so I decided to stay in London for a while. Many people have told me I could make a good living as a dancer, but I didn't spend all those years studying so I could do the same thing I was capable of doing before I went to college."

As you've undoubtedly noticed, Barbara's breasts are engineering marvels, and her body is almost impossibly slim-n-stacked. Go back through your personal archives, *SCORE* Men, and count how many models measure 32 inches around the chest before tacking on DD-cup boobs. Not many. About a handful. "I always have men coming up to me and telling me I'm beautiful," Barbara said. "I laugh. I'd rather they told me how smart I am. Beauty is God-given. I earned my intelligence." Barbara, you're smart *and* beautiful. The perfect combination.

THE *SCORE* INTERVIEW

MIA MILUV

She seems so shy. But wait 'til you read about what she did on a busy highway.

INTERVIEW BY DAVE ROSEN

She got nekkid in May, she fucked in August and she made our nuts explode with her XXX performance in *SCORE Xtra #6*. Not bad for starters, eh? Slim-n-stacked Arizona babe Mia Miluv has already become a *SCORE* favorite, but this feature dancer is so much more than big tits.

For example, there's her shaved pussy, smooth enough to run your tongue over without any friction at all. There's her pierced labia, which makes for an inviting tongue target. And there's her spread asshole, which we get to stare at and jack over on the opposite page.

Ah, shit, I'm being a bad boy, aren't I. But whaddya expect? In *SCORE Xtra #6*, Mia fucks a guy who plays the part of *SCORE* editor. Why didn't I get to fuck Mia? How come I only got to talk to her and stare at her?

Oh, well, beats working. Read on.

SCORE: Well, Mia, we're here in a break during your first professional photo shoot. How's it going?

MIA: Great! Posing nude for a men's magazine has always been one of my fantasies, and it's great at *SCORE*!

SCORE: What's it like to be photographed totally nude with your big tits out and your pussy spread?

MIA: Oh, it's very erotic. I love to touch myself while I'm being photographed and I like to be watched.

SCORE: Are you doing a lot of touching yourself in there?
MIA: Yes, I am.
SCORE: So when the guys see these photographs, they're gonna be turned on by seeing you so turned on.
MIA: I hope so. Just the thought of being in *SCORE* is erotic to me.
SCORE: For how long have you been a feature dancer?
MIA: I started at the beginning of 2001.
SCORE: Where?
MIA: Oh, New York, New Jersey, Alabama, Texas. All over.
SCORE: Where and when did you start as a dancer?
MIA: As a house dancer seven years ago in Oklahoma. And the first time I was on stage, it was like the first time getting laid. I was so nervous. But after the first time, it was great.
SCORE: What was the first time like?
MIA: I shook all over. I was so nervous. But after the second song started and I started taking off my clothes and got into it, I found it very arousing.
SCORE: What were you worried about?
MIA: Oh, god, a little of everything. I was worried about being naked in front of all those men and, of course, I was wondering if they were gonna like me. You know, if they wanted a taller woman or a bigger breasted woman or maybe a blonde.
SCORE: I didn't know they had strip clubs in Oklahoma. I thought they only had cows in Oklahoma.
MIA: [Laughs] No, just topless clubs.
SCORE: Do you remember your first tip?
MIA: Yes, I do. I remember the guy who gave it to me. It was his first time in a club, and he was about 30 years old, so I thought that was kinda neat, that it was his first time and my first time.
SCORE: You could tell it was his first time in the club?
MIA: Oh, you could definitely tell. He was far more nervous than me. He kept looking down. He couldn't even look at my breasts or my face.
SCORE: Did he tip you?
MIA: Yeah, he just laid it down on the stage, and then he walked away.
SCORE: Did that make you feel better?
MIA: Yeah, it did in a way, because somebody was more nervous than me.
SCORE: Why did you decide to become a dancer?
MIA: I had a girlfriend who did it, and she loved it. She didn't have to work a lot, just three days a week, and I thought that was kinda cool. But once

I got into it, I found there was more to it than just that. You know, it's fun to be up on stage. It's fun to be showing yourself and touching yourself and getting paid for it. It's not just a job.

SCORE: What were you doing before you were dancing?

MIA: I was a manager of a retail store.

SCORE: So you were basically walking around all day, fully clothed, telling people what to do.

MIA: Yes.

SCORE: And nobody would have guessed the kind of body you had under your clothing.

MIA: [Laughs] Oh, god, no, no, no. I was pretty conservative. Even when I went swimming, I wore a two-piece, but I always wore a T-shirt over it. I never showed my body off. Never.

SCORE: How come?

MIA: I was shy, I guess.

SCORE: Did you realize that you had a good body?

MIA: I'd like to think I had a good body. A lot of guys flirted with me and, of course, I flirted back. [Laughs] I've always been a flirt. But I remember that first time on stage, taking my clothes off on that second song, how nervous I was. It was like my first time in bed. It was so erotic, yet I was scared to death. I shook all over like a human vibrator.

SCORE: How old were you when you had sex with a guy for the first time?

MIA: It was right after my 18th birthday.

SCORE: What happened?

MIA: I was soooo nervous. He was nervous. It took us hours before we actually engaged in sex. It was more foreplay than anything, which I think is really erotic, because a lot of guys just want to jump into bed and get it over with, and that's it. But I like to play, and he was willing to play.

SCORE: Was it a date?

MIA: Actually, it was at my house, and my mom and dad were on vacation. I invited him over, he came over and I took him into the bedroom to listen to some songs on the radio, and as we were in the bedroom, I climbed on top of his lap and started kissing him.

SCORE: What were you wearing?

MIA: I had on a little tank top and little denim shorts and tennis shoes.

SCORE: And your breasts were pretty big at the time?

MIA: Yes.

SCORE: How big?

MIA: Big! They stood out in my little white tank top, and my cleavage was

peeking out a little. Enough to turn him on, I could tell. I could feel the bulge in his pants when I was on his lap.

SCORE: Were you wearing a bra?

MIA: No.

SCORE: And he got hard?

MIA: Yes.

SCORE: Was he surprised?

MIA: He was shaking. I could feel him shaking all over. But surprised? I'm sure he was.

SCORE: What happened next?

MIA: I started taking off his shirt, and he had his hands on my butt. I remember he just kept his hands there, so I had to maneuver him the way I wanted. I took his jeans off and I kissed him all over. And we proceeded from there.

SCORE: And it lasted a couple of hours?

MIA: Yes. We played a lot. It was sweet.

SCORE: So you had a good first time.

MIA: Yes. Definitely.

SCORE: You're lucky. Most people don't have fond memories of their first time.

MIA: Actually, I didn't know what to do, but I wasn't about to show it. I was going to be comfortable and enjoy it, and I did. I remember how wet I was. My first orgasm was that time, and my juices sprayed out. I remember how the bed was just so wet.

SCORE: You squirted? Your first time?

MIA: Yes.

SCORE: Did you know what was going on at the time?

MIA: No, I didn't know anything about that stuff, and I didn't even know what an orgasm felt like. Oh god, it was so intense. My body shook all over, I couldn't breathe, my eyes rolled into the back of my head.

SCORE: It was your first orgasm? You had never masturbated before?

MIA: I'd touched myself in the bathtub, but I'd never had an orgasm.

SCORE: Now this whole squirting thing, which I think a lot of guys are intrigued by…Did you have any idea what was going on, or did you think that happened to every woman?

MIA: I didn't know what was going on, and the way it felt was so intense, I thought I was having a heart attack. It made my body shake all over.

SCORE: Do you still squirt?

MIA: Yes, I do, and I love it.

SCORE: All the time?

MIA: All the time, yes. I leave it all over guys, all over the bed. [Laughs] Guys like to watch it. They like me to lie back on the bed and touch myself so they can watch it come out of me. I like that,

too. I like to make a guy watch me.
SCORE: How far can you squirt?
MIA: I've never measured it, but it comes out pretty good.
SCORE: So this is not just being wet. This is something from far deeper than that?
MIA: Oh god, yes! It's not water. It's a G-spot orgasm and I'm shooting out my girl cum.
SCORE: What's your favorite part of sex?
MIA: Oh, I love doggy style. I love to be on top, 'cause I can control my orgasms more. I can let it build up and then release when I want. I don't like being on the bottom, 'cause then I don't have much control. I like being in control.
SCORE: Let's talk about your breasts. Have you always had big ones?
MIA: Oh, I was about 14, 15, when I noticed my breasts were at least a 36C. By the time I was 18, I was a 36D.
SCORE: Did you get a lot of attention?
MIA: Oh yeah, and I always wore tight little shirts, a tank top…
SCORE: Really? To school?
MIA: Yes.
SCORE: You were wearing tank tops to school with D-cups?
MIA: Yes. I always got in trouble.
SCORE: What would happen?
MIA: Sometimes I'd show off a little bit more than I was supposed to.
SCORE: So the ugly, jealous, flatchested female teachers would pull you aside and say, "Mia, you shouldn't be wearing that."
MIA: Exactly. They'd want me to cover 'em up! And why?
SCORE: That's a good question. What about the male teachers? Did they pay much attention to you?
MIA: Yes, they did. I had a science teacher who, uh, liked my shirts. I could tell. He always made me sit in the front row, and he liked to look at 'em.
SCORE: Teachers are big perverts. You know that, don't you?
MIA: [Laughs]
SCORE: How long ago did you decide to go up to an E-cup?
MIA: Early in 2002.
SCORE: You already had big breasts. You have a great body. Why did you decide to make your body even better?
MIA: I like big boobs. I like the look of 'em in a shirt, in a swimming suit, tank tops, everything. It makes me feel better about myself.
SCORE: What about other women? Do you sometimes look at other women, and check out their boobs?
MIA: Yes.

MIA MILUV CHECK LIST
AGE: 28 **BIRTHDAY:** October 13, 1974
HEIGHT: 5'4" **WEIGHT:** 115 lbs.
MEASUREMENTS: 41-25-33
BRA SIZE: 36E **LIVES:** Arizona
PREVIOUS *SCORE* APPEARANCES:
May '02, Aug. '02 (boy-girl XXX)
VIDEO: *SCORE Xtra #6* (XXX boy-girl, available on page 98 of this issue)

SCORE: Well, you don't have to be envious at all, do you?
MIA: Oh, no, no, no. God gave us all beautiful bodies, and if we want to work with it, why not? I wanted to have bigger boobs, I like to show 'em off, so why not?
SCORE: When you first danced after you went up to an E-cup, did you notice a different reaction from guys?
MIA: Oh, yeah. I made a lot more money. A lot more guys came up to the stage to tip me. A lot more attention.
SCORE: Even on the streets?
MIA: Oh, yes. And, of course, I still wear my tight jeans, my tight shirts, everywhere I go. My friends get mad at me. They tell me not to wear certain things, 'cause they're too revealing.
SCORE: But you're very comfortable with your body.
MIA: Oh, yeah.
SCORE: Well, I saw what you were wearing today when you showed up at The SCORE Group building. You were wearing tight black pants and a strip of black cloth across your chest, which was supposed to pass for a shirt. Was that typical of what we might see you wearing every day?
MIA: Usually I wear less. I was trying to conceal my body a little. [Laughs]
SCORE: That doesn't work, does it?
MIA: No.
SCORE: Do you always wear a bra?
MIA: Not during the day. I love to show them off.
SCORE: When will you wear a bra?
MIA: At nighttime. I like to be sexy.
SCORE: When you're walking down the street, or shopping in a store, do guys ever come up to you?
MIA: Yes. I've had guys ask me to take a picture with 'em or just guys asking me if they could touch 'em.
SCORE: Do they ever ask how big your breasts are?
MIA: Yes, I get that question frequently.
SCORE: Do you answer?
MIA: Sure! I'm proud of what I've got.
SCORE: You don't have a lot to hide.
MIA: No.
SCORE: So here's the big question that I have right now, okay? You're sitting here, your legs are very smooth, you have big breasts, a great waist. I'm just kind of wondering if there might be something hidden under your panties.
MIA: Oh yeahhh. It's all nice and shaved. And pierced, too! That was a Christmas present to myself.
SCORE: How long has it been pierced?
MIA: Almost a year now. It's on the outside of the lip.
SCORE: When you're walking around, can you feel it?
MIA: Oh, god, yes, yes.
SCORE: Where did you have it done?
MIA: In New Jersey, at a tattoo parlor.
SCORE: So you go in, and you say to the person, "I want to have my labia pierced?" Is that how it works?
MIA: I asked him, if I could have my kitty-cat pierced, and he kinda looked at me like I was crazy. And I told him I didn't want my clit pierced, but that I wanted it on the outside lip. [Points to the spot] Right there.
SCORE: Were you shaved?
MIA: Yes.
SCORE: Okay, so he looked at you like

She's our kind of policewoman. Search us!

It's time to welcome back Katt Messina, a Michigan babe with fire on top *and* down below. Doesn't she look…uh, arresting? Haven't you always dreamed of getting strip-searched by a big-titted female cop? Hey, Katt, we're guilty!

KATT MESSINA CHECK LIST

AGE: 23 **BIRTHDAY:** August 31, 1979

HEIGHT: 5'3" **WEIGHT:** 128 lbs.

MEASUREMENTS: 38-26-37 **BRA SIZE:** 34EE

BORN, RAISED AND LIVES: Michigan

PREVIOUS MAGAZINE APPEARANCES: *SCORE*–October '02; *Voluptuous*–November '02

OCCUPATION: College student, waitress, bartender

HOBBIES: Rollerblading, camping, skiing, shopping

FAVORITE BOOK: "I'll read anything. I'm a bookworm."

"I've never gotten a speeding ticket. I guess cops like me for some reason."

That reminds us of the scenes in the movie *Cannonball Run* in which Adrienne Barbeau keeps getting stopped by policemen and keeps getting out of trouble by flashing her deep cleavage. Big-titted babes get all the breaks, right? And what's with Katt posing as a nurse in her debut last October and as a cop this time? Do we have a thing for girls in uniform? Of course we do!

"I like a man to be in control, but every now and then I mix it up. Yes, I like it on top."

Katt on top sounds fine with us. The better to watch her bouncing EE-cup naturals as she rides our hard cocks. The better to reach out and fondle those beautiful, pale flesh pillows as she screams out, "Oh, my God, I can't believe your cock is so big!" Hey, we can dream, can't we? And we can imagine that, for who knows what reason, we just snuck into the women's lockerroom at the local police precinct. There are some butchy looking beasts in there, but…hey, who's that girl? Isn't that the babe who pulled me over for running a red light the other day, said, "Up against the car, bucko," and played with my balls? Didn't realize she had such big tits in that big police uniform. And what's she doing now? Plugging her pussy with a dildo instead of doing paperwork? Trying not to scream while she cums? Yeah, she has the right to remain silent.

The title of this pictorial is "Katt's Nips," so let's closely examine Katt's nipple and areolae region before saying goodbye to her once again. Her pale areolae measure two inches, and Katt says they're sensitive, which is unusual. Typically, the nipples, not the areolae, respond to licking and touching. But about those nipples, pencil-eraser thick nubs that always respond to licking… "I always wear a bra, for support and because my nipples are always hard. And I love when a man tugs on them." By the way, Katt tugs on her nips in web video clips that can be seen in Scoreland.com. You have the right to play with your cock while you watch them.

Cathy Patrick

When she offered 'em up, you wanted 'em.

You're looking at an original *SCORE* Girl, an Irish natural who appeared in our very first issue in June 1992. Cathy Patrick was a woman of many looks—she posed as a natural redhead and also with black and blonde wigs—but there was never any way to hide those full, malleable floppers. Here's a fond look at one of your editor's favorites at her best.

SCORECARD

Continued from page 16

Or Ashley Evans, for that matter. I love the photo set of Colt in which she is wearing a pink sweater (Jan. '02). I love some of the work you guys do with Crystal Gunns. I think you should ask Crystal if she'll do girl-girl with Colt 45.

So, in closing, I'll say more Colt 45, Linda Friday, Ashley Evans and Lisa Lipps.–Name and address withheld

Dear Reader: You'll be happy to know that a brand-new pictorial of Colt 45 begins on page 81 of this issue. Yeah, bet you're already turning the page! A Lisa Lipps interview and pictorial appeared in the February '03 issue. Exotica looked beautiful in the Holiday '02 issue. Friday downs a big one in the June '02 issue. Look for a brand-new pictorial of Ashley Evans coming soon.

A READER'S LAUNDRY LIST

Dear *SCORE*,

Let me take this moment to say thank you for presenting all shapes and sizes of breasts. I recently became a subscriber, and every time I get an issue, I fall in love with these girls and realize how lucky I am to be a man and a tit lover. I considered myself a freak because I was so obsessed with huge tits, and now I know that I'm not along in this obsession. I have my *SCORE* brothers to talk to.

Here's what I'd like to see in *SCORE:*

1. An issue of all bra shots.
2. Tits covered with shitloads of cum.
3. Have girls pose with their clothes on, then remove them.
4. Have at least three guys cum on a big-titted girl such as Minka, Sharday, Crystal Gunns or Angelique.
4. More facial cum shots.
5. Have Minka take on six guys.
6. Last but not least, avoid lesbian bullshit in the magazine and save it for video.–Email address withheld

CHEERS FOR KELLY MADISON!

Dear *SCORE*,

Kelly Madison (July '02) is the hottest thing to hit your magazine in ages. In an era of some unbelievably large boobs, Kelly is the real thing. One hundred-percent natural and one thousand- percent amazing. She is the complete package. Not just the most unbelievable natural breasts, but the rest of her is just as perfect: legs, ass, face, you name it. No flaws. And, this woman

has a wonderful personality and the brains to go with her incredible body.

Her performance in *Busty Dildo Lovers #1* is just about the hottest solo scene ever caught on video. Her site is one of the very finest websites you can find. Her beauty, personality and incendiary sexuality put her in a class by herself.–B.C., email address withheld

Dear B.C.: Kelly recently returned to SCORE *and shot a scorching girl-girl layout with girlfriend Lana Lotts (December '02). Look for the pictorial and news about the video coming soon in* SCORE.

CHEERS FOR MADISON!

Dear *SCORE*,

The hardcore Nurse Madison set in the November issue was an all-time favorite for me. She didn't really have that hardcore kind of look in her earlier pictorial (October '01), but she looked like a natural in this issue. I'm wondering if the video cameras were rolling during this shoot? Maybe a video appearance is in the works? And how about any upcoming hardcore work for the amazing Angie Sward or Mariah Lynn? How about some girl-girl action between any of these three beautiful blondes?–Thomas, New Jersey

Dear Thomas: The video cameras were rolling and Madison's boy-girl will be in a future SCORE Xtra *video. As for Angie (October '02) and Mariah Lynn (May '02), we have our fingers crossed, but so far, they haven't done any video, solo or otherwise.*

MORE DRESSED MODELS?

Dear *SCORE*,

I would like to see more photos of the girls in jeans and a shirt. Then they strip down to bra and panties and then to full nudity. I think this would be great because jeans and a shirt are like everyday clothes that most people wear. I can picture Linsey wearing a pair of jeans that show off the curves of her ass and a tight shirt that shows the shape of her big boobs.

The girl-next-door look and the girl-you-can-take-home-to-mom look is getting lost in the world of men's magazines because there's so much hardcore. That's all fine, but the clean girl next door is just as sexy as the naughty bad girl. I say give us a little of both and all will be fine. Expand the Xtra section and you can give us a lot of both! To me, expanding the Xtra section is the easiest way to please everyone on this issue.–C.B., Kansas City, Kansas

MIA MILUV

Continued from page 66

you were crazy, but he must have done this before, no?

MIA: Oh, yeah.

SCORE: And it was a guy. How old?

MIA: Hmm…he was about 22.

SCORE: Can you take us through what happened?

MIA: Well, when I said "kitty-cat," he thought I was crazy. But I don't like to call it anything else. I think it's very sweet to call it my kitten. He took me back to the back room, and he made me get on a chair and, of course, I took my pants off and he spread my little kitty-cat apart. Then I showed him where I wanted it done.

SCORE: So you're lying there naked with your legs spread, and this guy, a perfect stranger, is spreading your shaved pussy. Is that erotic at all?

MIA: I think it is, because you don't know who the guy is, and he doesn't know who you are.

SCORE: Do you think he was getting turned on?

MIA: I'd like to think he was.

SCORE: Did he give you any anesthesia before he did it?

MIA: No. They clamp you down so you don't feel the pain of the needle going through, and then they stick the earring through it. It's a quick process, about five seconds.

SCORE: Five seconds! So in five seconds, you've got your panties back on, you pay for the whole process, you're out the door. If I were that guy, I would've taken a good long time. How did it feel afterwards, when you left the parlor?

MIA: Well, I had very tight jeans on and a little shirt. It was very painful at first, but it was worth all the pain. It's like that halfway in the middle feeling, 'cause it felt really good but yet it hurt so bad. [Laughs]

SCORE: Can you feel it now when you're walking around?

MIA: Oh yeah. Rubbing. It's a tease.

SCORE: Are you walking around in a perpetual state of horniness?

MIA: [Laughs] I stay that way 95% of the time. I love it.

SCORE: The first time you had sex with your piercing, did it feel different?

MIA: Actually, I had sex the same night I got it, and it was very arousing.

SCORE: Was the man you were with aware you had just had it done?

MIA: No. He was surprised and he was very turned on.

SCORE: Now I would imagine that if he sees this for the first time, he's going to go down on you for a long time. A lot of inspecting, checking things out.

MIA: Actually, no. He stuck his cock in first because he didn't realize my piercing was there. And then when he felt it rub against him, he got so turned on. Then he had to play with it. Then he went down.

SCORE: Now, let's talk about two things. When a guy is eating you when you're pierced, does it feel any different, and how does it feel?

MIA: It's more intense. I can feel his tongue against the piercing when he flicks it up and down. It's like having two tongues in me. And when he's inside of me, it kind of pulls on it a little, so there's a little bit of pain. But that's good.

SCORE: Well, let's talk about one more thing before we wind up, which is your first hardcore shoot for *SCORE Xtra #6.* I would have to think that that has to be a little nerve-wracking before you do it. Is that true?

MIA: Oh, god, no, I was so turned on. I couldn't wait. It's my fantasy to be watched. I enjoyed it.

SCORE: Had you been watched before?

MIA: I've done it in public.

SCORE: Are you talking about swingers' parties, or just when other people didn't realize what you were doing?

MIA: When other people didn't realize what I was doing. I get more into that because you have to be quiet and I like to moan. I'm very loud. So that's more sexual to me.

SCORE: What's the most unusual place you've ever fucked?

MIA: Going almost 80 miles an hour down the Interstate.

SCORE: The guy was driving?

MIA: We were drivin' through Oklahoma to Kansas.

SCORE: Don't you know having sex while crossing state lines is illegal?

MIA: [Laughing] That's what makes it more fun. He was driving a Chevy full-size truck.

SCORE: Did you start?

MIA: I started out with a blowjob.

SCORE: While he was driving?

MIA: Yes.

SCORE: How does one give a blowjob while somebody is driving? Very carefully, I would imagine.

COLT RIDES AGAIN

Still at the head of the big-boob pack.

She was last seen destroying a sweater in a spread in the January '02 issue, and her return is one of this month's highlights. We love when Colt 45 rides back into boobtown.

COLT 45 CHECK LIST

BIRTHDAY: July 18 **HEIGHT:** 5'7" **WEIGHT:** 128 lbs.
MEASUREMENTS: 52-26-36 **BRA SIZE:** 36HHH
LIVES: Corpus Christi, Texas
PREVIOUS *SCORE* APPEARANCES: Jan. '02, April '00, Holiday '98, April '98, Oct. '97, Jan. '97, May '96, Oct. '94, Feb. '94
VIDEOS: *SCORE Xtra* #2 and *Greatest Big Bust Video Volume 2* (both available at eBoobStore.com or by calling 1-800-421-0760 in North America, +1-305-662-5959 elsewhere)

"Colt 45 made me so horny, I took out my own rubber penis and inserted it in my pussy."

That's what a female reader wrote after viewing Colt's pictorial in the January '02 issue. Colt started out wearing a thin, pink sweater that would've been too big for most women but was stretched to the max by her HHH-cup breasts, then stripped down to almost nothing and plugged her pussy with a giant dildo. The photo on the final page of that spread, which shows Colt lying on her back and cradling her whoppers while the dildo stuffs her pussy hands-free, was one of the hottest shots we published in 2002, one of the hottest shots of Colt's prodigious career. Colt would've been the covergirl of that issue if Linsey Dawn McKenzie hadn't been making her XXX boy-girl debut. Colt *was* the covergirl for the UK edition (which doesn't contain the Xtra section). Amazing: Eight years after her debut, Colt still has what it takes to sell magazines.

No dildo this time, just clear views of Colt's pretty cunt and her world-class hooters. The 1990s were a great time for mega-boobed babes, and Colt was at the head of the pack, setting the pace with her platinum blonde looks and blockbuster body. "I love that men still want to look at me," she said. "If you had told me in 1994 that I would still be modeling in 2003, I wouldn't have believed it." Believe it, Colt. You're one of the greats.

MIA MILUV

Continued from page 80

MIA: I had to lean over, and I started playing with him and then I undid his pants, pulled it out, and of course it started getting hard. I licked it up and down, then I started sticking it down my throat, and when it was rock hard, I climbed on top of it.

SCORE: How did he watch the road?

MIA: He put his head on my shoulder.

SCORE: And this guy was driving 80 miles an hour?

MIA: Yes.

SCORE: Did that make it more exciting?

MIA: Yes, it did. And the more excited he got, the faster he went.

SCORE: Any trucks pass by?

MIA: Oh, lots of 18-wheelers, yes. And you could tell they were slowing down to watch. One would pass by, and then another one would pass by, so I imagine they were telling each other on their CB's what was going on.

SCORE: And you liked that.

MIA: Oh, yeah!

SCORE: Were your breasts out?

MIA: Yes, they were.

SCORE: Did he cum?

MIA: Yes, he did.

SCORE: And did you?

MIA: [Laughing] Yes, I did. Very loudly.

SCORE: You've only done that once?

MIA: Yes. And to this day, I'm glad I did it. It was a lot of fun. I'd do it again.

SCORE: Well, maybe instead of you fucking for us in the studio, we should take you out in a car and see how far and fast we can drive up I-95.

MIA: There ya go! I would love to!

SCORE: Well, Mia, you got me really excited. I gotta tell you, the idea of driving a hundred miles an hour with you on top of me sounds great. Did you enjoy being watched while shooting your scene for *SCORE Xtra #6?*

MIA: Oh, yes, and the idea of fucking and getting watched by thousands of guys is so exciting. It's so naughty. People don't expect that from me, to be naughty, but I guess you can't always tell a book by its cover.

SCORE: And we're glad that's true. Well, Mia, we enjoyed having you at *SCORE*. Do you have anything to say to the *SCORE* guys out there?

MIA: Yes I do. I hope they enjoy the video, and if they have a chance, come out and see me when I'm in town. Come out and get a lap dance.

NEW RELEASE ON VIDEO AND DVD!

Featuring Cassandra, Kerry Marie and the video debuts of amazing 2003 newcomers Ines Cudna and Nicole Peters!

ON LOCATION Costa del Sol

FF-cupper Cassandra, who knows a thing or two about plugging her holes with sex toys, has invited Kerry Marie, Ines and Nicole to southern Spain for Big-Boob Modeling School. The result: the most explicit action Ines, Nicole and Kerry Marie have ever engaged in. Nicole's J-cup naturals are her main attraction, but here she shows full bush for the first time. EE-cup Ines was shy when she made her *SCORE* debut, but here she spreads wide and fingers her pussy. And, for the first time, Kerry Marie plugs her pussy and ass with big dildos. Of course, Cassandra gets into the act, too, with some scorching solo posing and girl-girl, clit-to-clits with Kerry and Ines. *On Location Costa Del Sol* is a must for every man who loves big tits.

SCORE DEBUT

Sing a melody of love to Ines Cudna.

The girl you're looking at busted out on the Internet last year and has been a web sensation ever since. It's easy to see why. With her beautiful face, sweet looks and spectacular 40-26-36 body and 34EE-cup breasts, Polish teenager Ines (yep, she's only 18) is every man's fantasy. She sure was our fantasy. We tried for months to convince Ines to make her worldwide magazine debut in *SCORE*, and she finally agreed. Worth the wait, no?

INES CUDNA CHECK LIST

AGE: 18 **BIRTHDAY:** Jan. 25, 1984
HEIGHT: 5'6" **WEIGHT:** 140 lbs.
MEASUREMENTS: 40-26-36
BRA SIZE: 34EE
BORN, RAISED & LIVES: Poland
OCCUPATION: High school student
HOBBIES: Motorsports and cycling
WEBSITE: www.busty.pl

Ines is a high school student. She owns as many as 25 bras at a time. Oh, and we almost forgot… she's a virgin. "I'm still young and I'm saving myself for the right man," Ines said in halting English. "But I am looking forward to my first time." Amazing. This body is untouched by male hands, which means one of two things: either Ines is one of the most innocent women on earth or all men are gentlemen. We know the latter isn't true. "Men always try to pick me up," she said, "but I try to be a nice girl."

How innocent is Ines? Well, she refused to pose explicity for this pictorial and at first even balked at the idea of showing her pubic hair. "My naked breasts are not enough?" she asked. Sure they are, but you know how men are. We always want to see more. Still, the photo on the facing page is a thing of beauty.

Perhaps you're thinking the same thing we thought when we first saw Ines: Autumn-Jade. The similarities are striking. The pretty, innocent faces. The full, heavy, malleable floppers with pale areolae. The flaring waistlines. The hourglass figures. "I started developing when I was 13 and it seems I have never stopped," Ines said. "A lot of my friends are busty, too." Great. Send 'em our way. But, until then, we'll have to content ourselves with Ines' double debuts this month in *SCORE* and *Voluptuous*. In V-Mag, on-sale January 21, Ines gets nice and oily in a layout in which she shines. But, then again, she can't help herself.

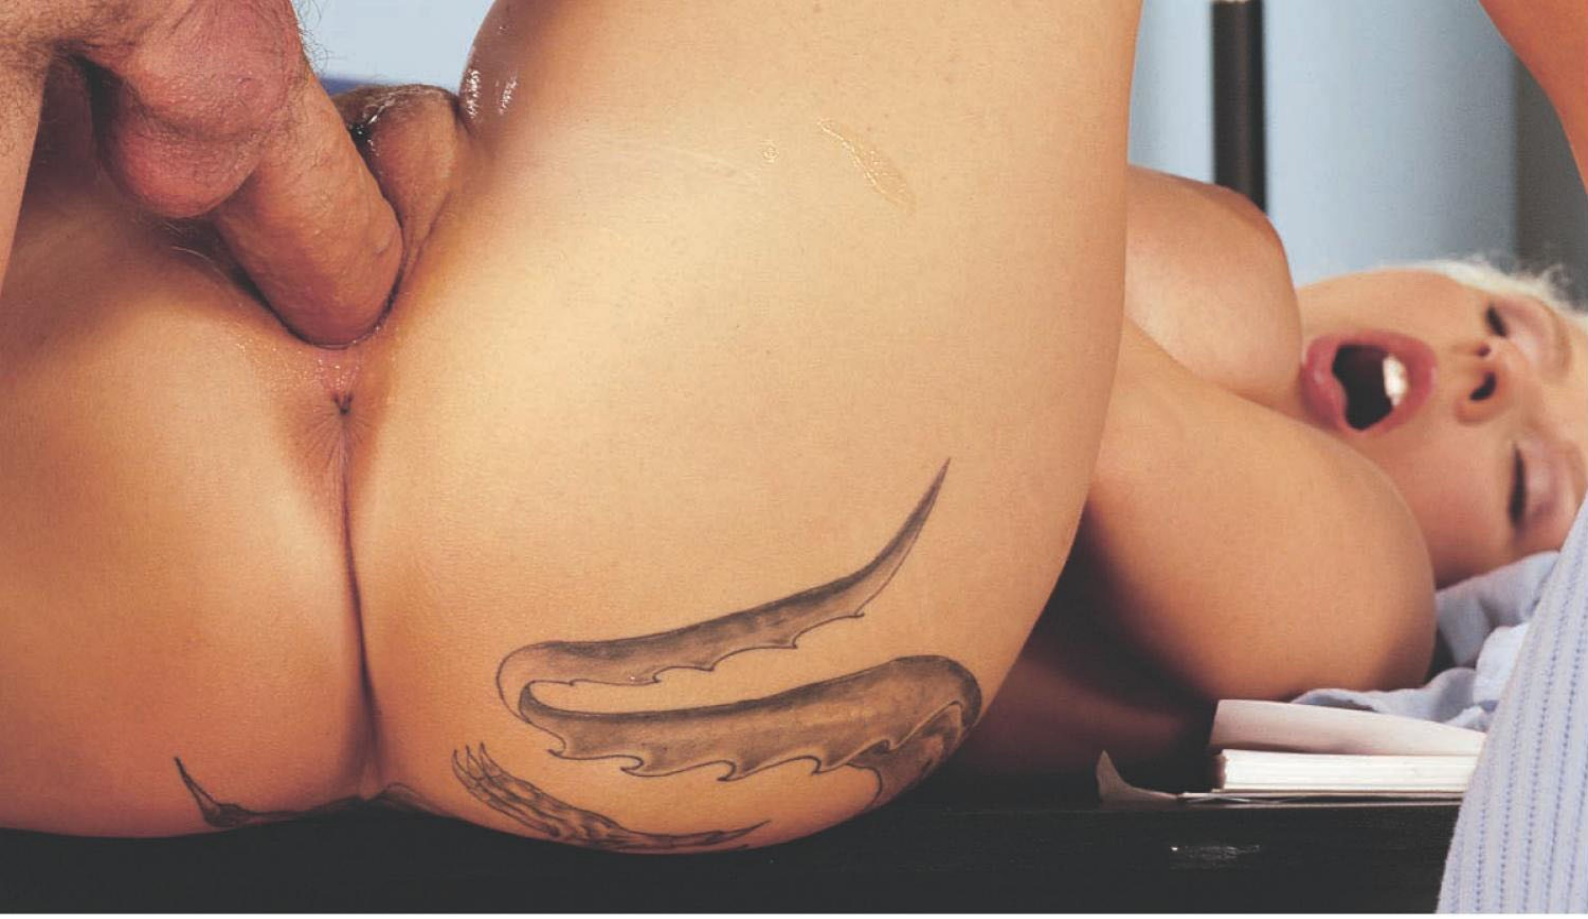
JULIA MILES TAKES ON A BIG ONE

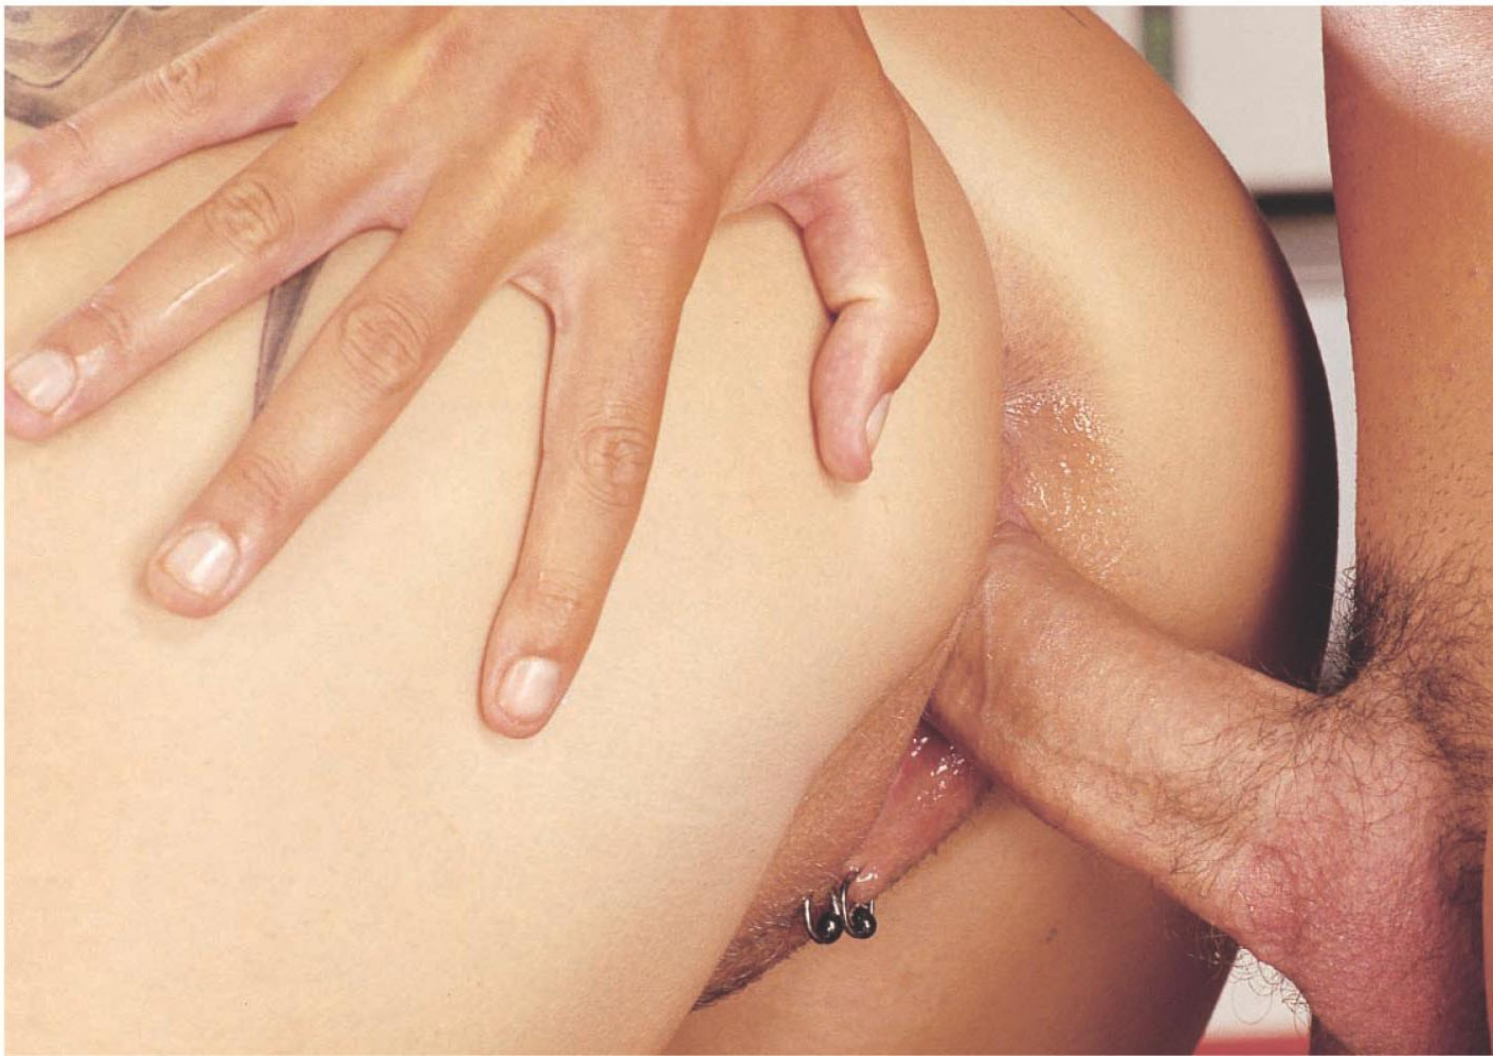
No more little dicks for the German babe. She deserved a good fucking.

When Julia Miles made her boy-girl XXX debut in the March '02 issue, we pointed out that the guy filling her mouth, pussy and ass with cock wasn't exactly filling it all the way. "To say this guy isn't hung like Sean Michaels is the understatement of the year," we wrote, but what were we to do? For her hardcore debut, Julia had insisted she be allowed to pick her cocksman. And, quite obviously, you guys didn't mind, because you made *SCORE Xtra* #5, in which the scene appears, our best-selling *SCORE Xtra* video ever. But for her XXX encore, Julia let us pick the dick, and we came up with a big one: nine-inch Lee, one of the hardest working porn studs in Europe, and to say he put Julia through a much-needed workout is another understatement. Lee drilled Julia's pussy every which way.



"His big cock stretched my pussy wider than it has ever been stretched."

Julia was grateful for the big nine-inch meat-pole we gave her. Her moans filled the studio and the look of lust on her face made our photographer wonder, "Does she realize we're recording this on film?" So impressive was Julia's performance that we decided to build an entire DVD around it. It's called *Ultimate Julia Miles* (she's the sixth model to get the *Ultimate* treatment; can you name the other five?), and it features the boy-girl you're seeing here, Julia's girl-girl with Hannah Callow and Julia by herself, all in high-resolution DVD. Yep, you can count the individual sperm as they coat Julia's face and chest.



Ultimate Linsey, *Ultimate Autumn*, *Ultimate Susie Wilden*, *Ultimate Dawn Stone* and *Ultimate Chloe* are the other *Ultimate* videos, which places Julia in fine company and puts her on her way to achieving her goal of becoming Europe's best big-tit model. Nine inches up her keister might get her there.

VIDEO REVIEW: STACKED & PACKED #4

Seven tit-queens go wild. The sound you hear is your nutsack exploding.

By Dave Morris

In *Stacked & Packed #1*, five naturally big-titted babes played with their huge melons and satisfied their pussies.

Stacked & Packed #2 added on a babe as super Brit Susie Wilden made her video debut.

In *Stacked & Packed #3*, Slovenian FF-cupper Cassandra, who's used to playing with real cocks on video, made a rare solo masturbation as she led an all-star cast of eight naturals.

And now…*Stacked & Packed #4*, starring seven more big-titted naturals and several helping hands…man hands, which fondle their tits and help manipulate their fuck-toys. It stars recent new discoveries Annie Swanson, Jezhabelle, Jade, Busty Becky and C.J., along with veteran cunt pluggers Autumn-Jade and Denise Davies.

You can order this X-rated masturbation session on DVD or video (same price for each) on page 79 of the main mag. Read all about it right here.

After fucking in *Voluptuous Xtra #5*, Annie flies solo in *Stacked & Packed #4*.

CHAPTER ONE: ANNIE SWANSON

Annie Swanson decided she wanted to be a *SCORE* girl when she found her boyfriend's stash of mags. Now that she's done a few photo and video sessions for us (like *Bosom Buddies #5* with Autumn-Jade and her hardcore debut in *Voluptuous Xtra #5*, both available on page 98 of this issue), she gets off on getting herself off for *SCORE* guys more than ever. So what is she watching as she fingers herself in front of the boob tube? *Lilith: Private Session*, a self-service snatchfest from our catalog. Beats *Monday Night Football* anytime.

DDD-cup Annie is one of those spunky little chicks who looks so innocent but turns into a sex-toy when she's in front of the camera.

"Oooh, that's so sexy," she groans as her manicured fingers spread her wet, shaved pussy. Her hands get busy as she squirms with pleasure. Nipple play. Tit kneading. Fondling. Then Annie looks right at us. "I feel so good," she says, shaking her tits so hard they slap the lens. Put your pecker up to the screen and splatter her with your goo as she kisses the camera.

Ten minutes of lubricated boob-play follows. Annie has a titty-pump that sucks her puppies and hardens her nipples. She ravages herself with a dildo. "Wouldn't you like to titty-fuck me?" she breathes, as she does exactly that with the dildo. Her cunt, spread all the way open, glows pink like a nuclear reactor during a meltdown. A dildo dig is next: Annie fucks herself to orgasm as her quim juice soaks the sofa.

Time to jam it in from behind. You get a closeup of Annie's pussy and a

Jezhabelle (Holiday '02) is one of the sexiest naturals ever. How about that ass!

bunghole you could stick your tongue into for days. She can't resist riding the pink prong.

"Oh, fuck me, fuck me," she moans as she straddles her plastic pal, and she screams as she cums this time. Exhausted, she looks at us again.

"Thank you for watching me," she says. Our pleasure, Annie.

CHAPTER TWO: JEZHABELLE

"They saw her and jacked," screams the cover graphic of "Her Name Was Jezhabelle," the big-tit web shoot on Scoreland.com. You will see her, and you will jack. This video shows off Jez (who made her debut in the December '02 *SCORE*) in you-da-man Dildocam action so real, you'll think your torso is actually inside your TV set!

"Ooh, it's so nice and hard" is just what you want Jez to say as she wraps her hungry mouth and 36DD's around an imitation trouser snake that's attached–what's this?!–to the cameraman's crotch. Tough job, right?

Well, you could say it's your cock by proxy, because you're going to feel that way. This entire sequence is shot in extreme closeup. No foo-foo artsy shit. No atmospheric lighting. Just Jezhabelle and you getting blown, titfucked and straddled. She looks at you with those big, brown eyes as she flicks, licks, teases and sucks your tubesteak. Round and round your dickhead she goes. Deepthroating now, she's checking you out to make sure you're happy. Get the boob lube and slap it all over her globes as they swing.

"That makes me so horny," Jezhabelle says. Us, too. Her four-inch areolae glisten with oils as she climbs onto your weiner. You can almost smell the sweet aroma of her bare snatch. This is as close to a video-fuck as you'll ever get.

"Hmm. Fuck me. Aah," she says. Now that's dialogue.

Fucking Jezhabelle from behind is one of life's special moments. We get the brown-eye from her while she takes the ersatz schlong deep. Her pussy and ass muscles contract in rhythm. She's cumming. Slap her ass. She wants it.

We get on top for the finale.

"I want you to get inside of me," she says. "I want you to fuck me."

The slick-snick sound of prick sliding in and out of her pussy is mixed with Jezhabelle saying, "Ohh, fuck me"

Continued on page 22

Who knows? C.J.'s debut performance in *Stacked & Packed #4* might be the only time we see her on video.

LOVETTE: A GIRL & HER POWER TOOLS

Sometimes, it takes more than a cock to satisfy a big-titted babe.

"I don't like lovey-dovey sex," Lovette told us when she was interviewed for the March '02 issue of *SCORE*. "I get bored with the same thing. If a person had steak every day, they'd be bored with it after a week." No boring sex for Lovette here. She gets cock in her mouth and pussy, but she also gets big dildos attached to power tools!

Apparently, the guy our big-titted porn queen was fucking had been reading too many *Popular Mechanics*, so he rigged a dildo onto a power drill and started drilling around where there were already holes, namely Lovette's pussy and asshole. "The feel of that dildo churning around in my holes was unreal," Lovette said. "I mean, I can work a dildo pretty well, but when you attach it to a motor, it's a whole new ballgame. My ass will never be the same."

SCORE
MARCH 2003 CENTERFOLD

"I couldn't decide what I wanted more, his cock or the drill," Lovette said after her drilling was over. "Every time he gave me one, I wanted the other. The only thing he didn't give me was both at once." Oh, well. A man has to be careful with his tools.

and non-stop panting. Is she cumming again? "I'm coming, yessss!" she says. One more fuck. Jezhabelle shakes. The bed shakes. The camera shakes. You'll shake. Come again. Jezhabelle's happy. You're happy. Next.

CHAPTER THREE: JADE

When *SCORE*'s senior gazonga guru Elliot James discovered Jade, we thought he'd lost it. The guy was raving like such a lunatic:

"Natural Asian boobsters are rarer than hen's teeth!" he said. What the fuck are hen's teeth?

What makes Jade, who debuted in the February *SCORE*, particularly endearing, says Elliot, is "her sweet personality. She's very shy." Sweet we believe. Jade is reclining on a sofa in a red bustier and stockings, her DD-cup tits and pencil eraser nipples thrusting.

"Hello, I'm Jade Feng," she says, "and I'm showing my body. Do you like when I'm touching my titties?" We'd say the jury is out on "shy."

Playing with her always erect nipples seems to be a favorite pastime of Jade's. Nothing wrong with that, especially when we get to watch. Jade gives us a 360-degree look at her proportions and settles in for some tit-driven masturbation. The camera fills the screen with Jade's lotus-blossom pussy. The intensity and effectiveness of her nipple

Few women know their way around a dildo like JJ-cup V-Girl Denise Davies.

pulling is highlighted in a series of you-da-man closeups and by a pair of willing hands that come in from offscreen to grab and massage her globes.

True *SCORE* men know that some big-titted babes cum the minute you touch their titties. And we like it that way, don't we? Jade says, "Keep touching," as she has one on-camera orgasm after another. This reviewer particularly enjoyed the thumb-and-forefinger rolling of the nipples that produced a stream of ecstasy from Jade. Squeeze. Roll. Rub. Tug. See Jade cum. Repeat. See Jade cum again. How about massaging and slapping her knockers together for a change of pace? Yessiree. And Jade cums again, jugs jiggling.

And how about Jade's favorite toy, her red dong, a giant dildo that looks like a gummy bear? She licks and sucks it, saliva dripping onto her boobs, cradles the dildo between her hooters and gives them the fucking they deserve.

Next, Jade, totally nude, demonstrates the Chinese approach to dildo-slamming. She takes the position: one knee up, shoulders back, dildo in. Is it Tai Chi? Is it Kung Fu? Is it Won Long

Jade (Feb. '03) is the rarest of rare: an Asian big-titted natural.

Dong? Whatever you call it, it's going to make Szechuan sauce shoot out of your banana. She finishes off with a polyethylene pony ride. End on extreme closeup of one very erect nipple. Take a deep breath.

CHAPTER FOUR: BUSTY BECKY

We admit we have a thing for busty chicks with long, black hair and a face that says, "I wanna suck your dick." That's January's Busty Becky in spades.

Her mango-shaped danglers respond enthusiastically to boobplay, and she ain't afraid to tell us.

"I love the way I do it, but I bet you can do it better," she coos. "Come on. Don't be shy. You know you want it."

Hoooeee! She dribbles the boob lube on her mams. "Maybe this will entice you," she says. Once again, you're in the driver's seat as Becky gets jiggly witcha. Shot from your point of view, you're totally there as Becky invites you to do it to her. "I just love it when you play with my nipples," she says. Hands come in from offscreen to engage in unrestricted boob contact in every variation you can imagine. Sliding, caressing, fondling, squeezing, fingering, tweaking and twiddling. You do it all, you see it all. Becky digs it. So get closer. She deep throats Mr. Cock. She takes the sausage between her fleshpillows. Wave 'em, shake 'em, slap 'em with your dick. Is this a gal you'd love to schtupp? Better believe it, pal.

Becky is wet and lying back, ready for you to come on in. A black-haired babe with a bald beaver is guaranteed to get your noodle dancing. Slap her clit with your dick. Stick it in. Watch her blast off so hard she throws herself across the bed. This is the Real McCoy, baby. And you did it.

"Thanks, baby," Becky says.

CHAPTER FIVE: AUTUMN-JADE

Autumn-Jade brings her 34Is to the party. She delivers one of the all-time great lines of cinematic sex, "I love your fat penis," then goes to work with her high-capacity mouth on our dildo-man, sucking and licking her boy's lollipop with her trademark gusto.

Mr. Cock gets a titty lashing real good. Autumn may be a *SCORE* superstar, but she's still a country girl at heart who just loves dick. "Slap me in the face with it," she says. Then she wraps her funbags around the lickin' stick before taking it cowgirl style.

Autumn-Jade gets some help with her fuck-toy in *Stacked & Packed #4.*

Autumn just can't get enough fucking. After she cums, her legs and ass are wide open begging for more. Her tight pussy and cornhole love to get teased by cock, and that's exactly what she gets. Nothing fancy. Just down-home big ol' fat penis. That's Autumn-Jade.

CHAPTER SIX: DENISE DAVIES

Boob-men appreciate the bonus footage we pull from our vaults to present in our multi-girl collections. *Voluptuous* superstar Denise Davies has never before done an outdoor solo masturbation scene. This English country

garden setting spotlights footage of Denise's massive mams and giant areolae being licked as only she can. Denise is a big girl, and every curve is shown off as she takes off her sundress and caresses her flawless porcelain skin. One luscious closeup follows another as Denise sucks on her JJ-cup puppies. This girl really knows how to masturbate. Watch carefully. Learn something.

CHAPTER SEVEN: C.J.

C.J. is one coy honey. Her fans have been pulling their peckers since her debut pictorial in the September '02 *SCORE*, hoping she'd go totally nude on video. This is her first and only video, an impressive debut, no less, and we jacked off a whole lot while screening it for this collection. But we're not greedy. Check it out.

C.J. does a slow strip tease, removing her ripped plaid workshirt and G-string, teasing us all the way. She fondles and massages her 34E naturals, wiggles her little butt, uses a vibrator on her areolae and spreads boob lube all over her rack. C.J.'s sleek shape, knockout breasts and shaved twat will have you whacking over and over again. No, she doesn't get too explicit. That dildo never enters the hallowed insides of her pussy. But with a girl like C.J., it's all about the tits.

Which is all we really need.

Becky is even prettier when sitting on a big dildo.

Brittany & The Fucking Machine

Brittany Love never has to worry about finding a guy to fuck. All she has to do is walk into any roomful of men and say, "I'm horny," and she'll have several volunteers. But what's a girl to do when she doesn't have the time?

The fucking machine you see here was built by a friend of one of our photographers and gladly tested by Brittany, who fucked for real in the May '00 Xtra and did Dawn Stone in the December '02 issue. And how was it? "Just lovely," Brittany reported after putting it through a thorough road test in which the track was her wet cunt. "It never got soft and it kept plugging away at me until I was satisfied." Hmmm...is Brittany trying to send us guys some kind of cryptic message? "No," she said. "And a machine can never beat a warm body. But this machine is better than any dildo."

On this page, Brittany demonstrates one of the advantages the fucking machine has over an ordinary dildo. "When I use my dildo," Brittany said, "I don't have a free hand to play with my breasts. But with this machine, I had both hands free so I could tug on my nipples and knead my titties. And, if I wanted, I could reach down and diddle my clit, too." Also, a fucking machine doesn't distinguish between holes, so Brittany enjoyed a deep asshole plugging. Great toy, no? The only thing we wish we could've seen was Brittany sucking a real cock while the fucking machine did its job. "That'd work for me," Brittany said. "Any volunteers?"
